Hello,

It snowed! Like I said before, I don't mind the cold so much if we get some snow to go along with it! It sure was beautiful here at the Ranch! We're estimating a little over 2 inches fell here!

We've been busy since my last report. Our new ice merchandiser was delivered and is now setup and working great in the Trading Post! In addition to that, the Restaurant received their new larger front area refrigerator. We were also able to get more dirt work done on Compound 7 and continue to work on the Big Top roof project.

Progress on Compound 7!

Extra Large Ice Merchandiser!

New Refrigerator in Restaurant!

The snow may put a "damper" on our projects for a few days, but rest assured, we are right back at it as soon as it clears!

Finally, Why did Mr. Snowman get in trouble with his wife? He went out and got *Plowed!* (she had a major *Meltdown!*)

Stay warm and keep smiling! Spring is coming!

Happy Camping!

Mike Edmonds

Ranch Manager, Cloud 9 Ranch, Inc.

A Word from the Ranger Station

The recreational facilities and campground amenities here at Cloud 9 Ranch are designed for the enjoyment, convenience, and entertainment of ranch owners and their guests alike. As with any social organization, rules are necessary and designed to safeguard the individual rights of each owner.

With this being said, the Ranger Department would like to be transparent in the idea that citations can and will be written for rule violations.

Tickets are not posted until they are finalized by management

The Ranger Department is proud to report we had zero tickets issued during the past week!

If you have any questions in regards to rules, feel free to contact a ranger or grab a copy of the 2021 rulebook at the Gatehouse.

As always, it is the Ranger Station's proud privilege to serve C9R's owners and guests.
