Hello,

WOW! It's cold! And from the looks of the forecast its going to stay that way for the next several days. They're calling for snow now. I don't mind the snow, but you can keep the ice like we had this week!

We continue to push forward with the off season projects. Maintenance has completed the new flooring in Cabins 11 and 12 and will soon begin working on Cabins 1, 3, and 9. The big plumbing and re-flooring project in the Shady Lane bedroom and bathroom areas is now completed allowing us to work on the other cabins as we had planned. We have also been burning large brush piles around the ranch from the previously cleared areas. In addition to that, we have added shelving to the gatehouse to better organize and utilize their space.

I also wanted to mention, the contacts are now available for the Connex storage compound slots. If you are interested in placing your Connex in this area please contact Kasi in the deeds office.

Everyone stay warm and have a great Valentines Day!

Happy Camping!

Mike Edmonds

Ranch Manager, Cloud 9 Ranch, Inc.

A Word from the Ranger Station

The recreational facilities and campground amenities here at Cloud 9 Ranch are designed for the enjoyment, convenience, and entertainment of ranch owners and their guests alike. As with any social organization, rules are necessary and designed to safeguard the individual rights of each owner.

With this being said, the Ranger Department would like to be transparent in the idea that citations can and will be written for rule violations.

Tickets are not posted until they are finalized by management

The Ranger Department currently has one pending ticket that was issued during the past week. This ticket will be posted once finalized.

If you have any questions in regards to rules, feel free to contact a ranger or grab a copy of the 2021 rulebook at the Gatehouse.

As always, it is the Ranger Station's proud privilege to serve C9R's owners and guests.

Important Announcement

Please refrain from parking in the current Powder Mill overflow parking area. This area needs to remain clear for the contractors to begin working on the new campground.

Thank you for your cooperation.

Mark your calendars for the new date! Let's hope Mother Nature gets in a better mood by then! Stay Warm Everyone..We'll see you on the 27th!
