Hello,

Well, when I mentioned I didn't mind the cold temps so much if they brought snow...I might be rethinking that! Bring back the sunshine! We've had about 8 to 10 inches fall here at the ranch this week. While it is beautiful to look at, it's not great to work in!

Maintenance has continued to work the roads daily as the snow kept piling up. With the below zero temps, we also had a freezing issues in the housekeeping laundry as well as the main laundromat, two well houses, and two stage stops, which have all been resolved. Hats off to our wonderful dedicated team for showing up under such tough conditions! I had the opportunity to snap a few pictures this week. Take a look below!

Snow Plow in Action!

Snow Around the Ranch!

The weather forecast looks promising for next week. We hope to get back to our regular planned projects. A couple of announcements I want to share, the Board of Directors meeting is rescheduled for March 6th and don't forget the new date for the Conservation Committees', "Love to Ride C9R" Valentine Hunt now set for February 27th!

I know I sound like a broken record, but hang in there! Spring is on the way!

Happy Camping!

Mike Edmonds

A Word from the Ranger Station

The recreational facilities and campground amenities here at Cloud 9 Ranch are designed for the enjoyment, convenience, and entertainment of ranch owners and their guests alike. As with any social organization, rules are necessary and designed to safeguard the individual rights of each owner.

With this being said, the Ranger Department would like to be transparent in the idea that citations can and will be written for rule violations.

Tickets are not posted until they are finalized by management

The Ranger Department currently has one pending ticket. This ticket will be posted once finalized.

If you have any questions in regards to rules, feel free to contact a ranger or grab a copy of the 2021 rulebook at the Gatehouse.

As always, it is the Ranger Station's proud privilege to serve C9R's owners and guests.

Head of Ranger Department

Important Announcement

Please refrain from parking in the current Powder Mill over flow parking area. This area needs to remain clear for the contractors to begin working on the new campground.

Thank you for your cooperation.
