Hello,

Ok, it can stop raining anytime! We have had plenty! The crossings look to be rising, please use caution! Better safe than sorry!

We continue to make progress on the Powder Mill Annex Campground. Howell Oregon has completed the three phase electric now. Pinkston dug the trenches for Howell Oregon to install the wiring for the transformers in the campground. Pinkston has since refilled those areas and moving on to other areas of the project. Eric Storey, his crew, and C9R volunteers are making quick work of the new stage! Thanks to everyone involved!

Howell Oregon three phase work!

Underground wiring in Annex!

A special thanks to the Activities Committee for a fun Spring Festival last Saturday! Even with the rain it turned out great and everyone seemed to have a wonderful time! The Conservation Committee will have another Trout Stocking this Friday beginning around 10am at the kids fishing hole. If you have a chance, come join in! With May right around the corner, we are looking forward to more and more events! May 8th, Conservation will hold their annual Highway Trash Pickup. Anyone wishing to help can meet at the Conservation Building at Wilder at 8am. Any and all help is greatly appreciated! Also, May 8th, the Ranch Riders will have their Swap Meet and Marble Run. Both RRC events will be held at the T-Top. Keep smiling, and please, please, no rain dancing!

Happy Camping!

The recreational facilities and campground amenities here at Cloud 9 Ranch are designed for the enjoyment, convenience, and entertainment of ranch owners and their guests alike. As with any social organization, rules are necessary and designed to safeguard the individual rights of each owner.

With this being said, the Ranger Department would like to be transparent in the idea that citations can and will be written for rule violations.
