Hello,

Somebody turn down the heat! Whew! It's been a hot one. But even with the scorching temps at the kids track last weekend, what a show! You know it's a great event when you have that many folks standing in the hot sun for hours to be a part of it! Thanks again to everyone involved in making the Mud Mayhem a huge success! Pinkston has begun laying gravel in the Powder Mill Annex, and the septic lines are getting closer to completion. Our crew continues to push forward on Compound 7, hauling the larger rocks from the plant at Fogey, prior to the gravel being placed. In addition, the fencing around the compound is almost done and we have received the gates and hardware to complete the barrier. These additional spots, when completed, should give us some much needed relief in Compounds 2 & 3.

**Large Rock Headed to Compound 7!**

**Compound 7 Progress!**

**Gravel in Annex!**

Don't forget the Conservation fish stocking this Friday, starting around 10am at the kids fishing hole! Saturday is Conservation's Annual Father's Day Trout Tournament! This event is open to all ages. Be sure to register at the gatehouse anytime prior to 6am Saturday morning. I understand the Big Ole' Trout with the \$100 bounty is still out there somewhere! Good Luck!

Many more exciting events are still on the schedule for this year! We're just getting started! Stay cool my friends!

Happy Camping,  
Mike Edmonds  
Ranch Manager, Cloud 9 Ranch Inc.

## A Word from the Ranger Station

The recreational facilities and campground amenities here at Cloud 9 Ranch are designed for the enjoyment, convenience, and entertainment of ranch owners and their guests alike. As with any social organization, rules are necessary and designed to safeguard the individual rights of each owner. With this being said, the Ranger Department would like to be transparent in the idea that citations can and will be written for rule violations.
