Hello,

4th of July Weekend here we come! We received a lot of rain today to settle the dust and its supposed to be nice weather the next few days! It looks like it's going to be a fantastic holiday here at the Ranch! With the large amount of folks here this weekend, I wanted to touch base again on a few very important things. First, Please, Please, Please, be aware of the trash! Let's keep it picked up folks! We have added additional roll off dumpsters in both Lonesome Pines & Powder Mill for larger items. This should keep the regular dumpsters from filling so quickly. Please utilize this for all your larger items such as mattresses, etc. Second, Watch your Speed! Remember, the campgrounds will be full. This means lots of kids playing and folks out and about. 10 mph in ALL Campgrounds! All bikes must be registered and your member number must be visible on the back. Do not cross water lines. Always stop at the gatehouse, in or out! DO NOT drive in the Out gate unless directed by the gatehouse attendant to do so. All dues must be paid before entering the Ranch. Today is July 1st folks, dues are due. Please observe quiet time in the campgrounds. The quiet time is midnight to 6am. If you are a night rider, please be respectful of your neighbors when returning to the campground. Remember, all these rules are in place for your protection so we can all enjoy our beautiful Ranch. Our Rangers do not enjoy writing tickets anymore than you enjoy receiving them..Let's all work together and have a wonderful Holiday Weekend! Now for the good stuff!! Whoa! What a great list of events we have! Here's the lineup...Fish Stocking Friday morning around 10am starting at the Kids Fishing Hole. Keep in mind, no fishing until 6am Saturday following any stocking. Activities has their Light the Night Trail Hunt Friday night, registration at the T-Top from 7pm to 8pm. Hunt start at 8pm. Lots of prizes! Members Fireworks on Dry Gulch Road at dark. This is the only spot members are allowed to shoot fireworks off. Please use caution. Kids Catfish Derby starts at 8am Saturday at Spring Pond. All kids 15 and under may participate. Poles and worms are provided if needed. Best of all..its FREE! The annual Watermelon Social is Saturday at 1030am next to the chapel. Yum!! Also FREE! The Ranch Riders will have their Swap Meet at 8am at the T-Top, followed by the Marble Run that starts at Noon. Come win some cash!! Bingo will begin at 3pm in the Pavilion for those that are feeling lucky! Thanks Craft House for bringing this back! It's a family fun event! The Annual C9R 4th of July Parade will start at 6pm. The map is located in this issue. Always fun to watch! Prizes for the best entries! The BIG Fireworks show starts at dark from the basketball court. Better come early and get a good spot! We have a band! Rosy Hips will take the lawn stage before and after the fireworks! Wow, I'm tired just thinking about all this! With the weather clearing and the slightly cooler temps...What an outstanding weekend we are going to have! Happy 4th of July & Happy Camping!

Mike Edmonds, Ranch Manager, Cloud 9 Ranch, Inc.

A Word from the Ranger Station

The recreational facilities and campground amenities here at Cloud 9 Ranch are designed for the enjoyment, convenience, and entertainment of ranch owners and their guests alike. As with any social organization, rules are necessary and designed to safeguard the individual rights of each owner. With this being said, the Ranger Department would like to be transparent in the idea that citations can and will be written for rule violations.

Tickets are not posted until they are finalized by management

June 26, 2021

There was a citation issued to a child of member # 1587- Dustin Troxell for reckless driving that resulted in a \$60.00 fine.

June 28, 2021

There was one citation issued to member # 0820- Charles Gilham for reserving a pad that resulted in a fine of \$100.00.

There was one citation issued to member # 1114- Michelle Farmer for violating the 60 day pad rules that resulted in a fine totaling \$200.00.

There was one citation issued to member # 2764- William Ryan for violating the 60 day pad rules that resulted in a fine totaling \$360.00.

If you have any questions in regards to rules, feel free to contact a ranger or grab a copy of the 2021 rulebook at the Gatehouse.

As always, it is the Ranger Station's proud privilege to serve C9R's owners and guests.

Ranch Report – Mike Edmonds

Good Morning Everyone!

How about this weather! Nonstop rain and cool temperatures, then last Wednesday the rain stopped, the humidity set in, and temperatures started to climb! Swamp one day, dust bowl the next! You never know here!

2021 has been great so far and I believe it's only going to get better from here!

First off, I wanted to give a big thank you to all our committees, employees, and volunteers! We've had some awesome events already this year! From everything leading up to the Activities Committees Spring Festival, the Glowcert, Marble Run, Kids Catfish Derby, Kids "freezing" pool party, Poker run and hundreds of pounds of Trout released into our creek! I have to admit the highlight for me was just last weekend. What a great show! The Mud Mayhem was a huge success! Eric and the membership committee, along with several volunteers, did a great job putting this together. I never would have thought we would have such a large attraction as Big Foot here at the ranch! WOW! Thanks again to everyone that worked on this event and all events! Regarding events, I wanted to mention, the Cloud 9 Trailer and Equipment Auction has been rescheduled for Halloween weekend this year. It's sure to be a "Spooktacular" Auction!

Even with the overall member count coming to the ranch being slightly down this year, compared to last year with the Pandemic, as of May 31st we have 63 MORE members that are currently over their 30 day usage compared to last year at the same time. In addition to that, our numbers in the Trading Post, Restaurant, and the Big Top are better than ever! A huge thank you to Mag and her crew!

As most of you are aware, both pools are now open. The Family Pool opened as planned; however, we have struggled with the Adult Pool this year. To be more specific, the adult pool has leaking and deteriorating water lines and water loss as a result of the jet system installation that was put in place to offset the broken lines, skimmer ports, and return jets that are housed in the concrete foundation. Thankfully our team pulled through, and it's now up and running! Keep in mind; in ground pools in this area typically last 30 years and both ours are over 45 years old and certainly showing their age.

The Powder Mill Annex campground project is going well now that the rain has stopped. When we started this project Pinkston told us they needed 68 working days to complete. If the weather would have cooperated, their portion would have been completed prior to Memorial Day Weekend, and we would still have to connect to the waste water treatment plant. Uncontrollable issues such as the continued rain and the delayed shipping/receiving of the wiring, water lines, water valves, and septic line materials have pushed the project out even further than anticipated. Currently we are setting the pads, putting in the roads and hooking to the treatment plant. July 1st is now our target date.

Regarding our current Ranch Staffing situation, following the Board approval of my request in April to increase our starting wage from \$10.30 to \$12.30 to entice new hires, we are now staffed well in most departments. However, we are still in need of employees at the gatehouse, certified life guards, and possibly more rangers as we have hired one ranger this week and another is scheduled to start next week. During this season we have had several new hires leave or not show up for work once hired.

Moving on..Let's look at the gatehouse..I believe we can all agree, what worked in the 70's & 80's is not working now. With the gate being open 24/7, this allows a lot of extra responsibilities added to their already overloaded duties. With the phones ringing nonstop and the radio calls, they also have all the in/out traffic, dues payments, registration stickers, plates, rentals, guests, pad fees, tickets, fishing permits, hunting permits, compound locations and compound tickets, just to name a few. On top of all this, we are still using paper! Our computer system does not cover what we need. The gatehouse computer does not communicate with the accounting office software which makes it even more difficult. I can assure you; we are aware of these issues and are working hard on a solution.

I also want to touch base on the rules. The rangers are currently enforcing rules that have been overlooked for several years now. I am asking all members and guests of members to please read the rule book and follow the rules the membership has voted on. If you do not have a copy of the current rule book, pick one up at the gate.

The Schoolhouse repairs are pending the contractor's receipt of the gutter metal that has been ordered. Once the gutter metal is received by the contractor, he can then replace the gutter and give us an estimate on repairing the wall structure, rotten siding, and adding the proper deck attachment. The estimated time for receipt of the gutter metal is 7 to 10 more days.

We have also completed several needed repairs on the Big Top this year. Post replacement, new fascia metal, the women's bathroom repairs, the snack shack redesign, new freezers, new ice cream vendor, new ice merchandiser, pizza work station, and pizza oven to sell Hunts Brothers Pizza! The Big Top Snack Shack sold over 200 pizzas during the Mud Mayhem event! Way to go!

We have a big, beautiful, new stage folks! Thank you membership committee, Board of Directors, and all volunteers! We still have a few items to do on it but were already able to utilize it just last weekend with two bands performing! I am looking forward to many more! Speaking of new..We have new pool furniture! Yeah! All new furniture has been added to the adult pool and at least half of the Family Pool furniture has been replaced. We are scheduled to revisit the remaining furniture following the end of the season and assess its condition.

Since our last meeting we have welcomed three new members into the Ranch Family at the stables! Welcome a beautiful new colt and filly, along with "Louie the Llama"! We plan to announce the contest for naming the new colt and filly next week in the 9 Lines. Be sure to check it out and see how you can participate!

One last thing..I'm extremely proud of my team here on the Ranch. They show up, work hard, and give it their all, day after day. If you see these folks out and about, please tell them how much you appreciate them. A little kindness goes along way.

Thank you and have a great summer!

Happy Camping!

We are pleased to now offer superior farm raised beef. Straight from our farm in Western Howell County Missouri to your table.

We are a generational family farm working as a team to provide quality beef to family, friends and local beef specialist. Since 2004, our family has grown along with the expansion of our beef herd and operation. Since 2010, we have offered our home raised live beef in the form of 1/2 and whole custom packages delivered to our butcher or your butcher of choice. In 2021, we are starting a new journey by offering our superior farm raised beef for sale to the public in cuts already processed, vacuumed packed in packages ready for you. We are so excited to start this new phase of our family farm and to include you all in our journey!

Our cattle are raised stress-free and are grass-fed, grain finished, hormone, steroid and antibiotic free. Our beef is processed at a state inspected processing facility and is vacuum sealed packed.

This weekend we will proudly be offering our Beef products for sale to Cloud 9 Ranch Members and their Guests.

Our booth will be setup in front of Lonesome Pines Campground! Come see us!
