Hello,

Well folks, this week has been challenging to say the least. We are hoping to get back to normal very soon. We are making progress, as we were able to reopen the Trading Post, Restaurant, and Big Top Snack Shack today. As I announced earlier, we will continue to monitor the situation and keep you updated. Hopefully, its all good news from here! We are continuing to move gravel from the area around Fat Jacks to the new campground. Please remember to use caution while traveling through that location.

You may have noticed the front drive is looking a lot better these days. We now have a side bush hog to trim the ditch lines along the roadway.

← Front Drive Side Bush Hog!

Don't forget, the Conservation Committee has another Trout Stocking tomorrow starting at 10:30am at the Kids Fishing Hole! I've seen lots of great pictures of members and their guests catching some really nice trout! Conservation is doing a fantastic job keeping us loaded up with big fish! Great job team!

Saturday is Conservations 1st Scavenger Hunt of the year. Registration begins at 11am at the T-Top and the hunt starts at noon. Lots of prizes to be won with this hunt! You won't want to miss it!

Is everyone having a great year so far at the Ranch?! Well, we are just past the halfway mark, lots more to come!

Couple last things...be kind to your neighbors, follow the rules, pick up your trash, stay hydrated, and most importantly..Have a great weekend! See you around the Ranch!

Happy Camping,
Mike Edmonds
Ranch Manager, Cloud 9 Ranch Inc.

A Word from the Ranger Station

As with any social organization, rules are necessary and designed to safeguard the individual rights of each owner. With this being said, the Ranger Department would like to be transparent in the idea that citations can and will be written for rule violations.
