Hello,

Hot and humid. That's what it is! You can definitely tell August is right around the corner!

I wanted to give everyone an update on the projects around the Ranch. The new campground is nearing completion. We are now adding gravel to the roads. Please continue to stay out of that area. The flags were placed around the boarder in an effort to keep things in place as we work this project. We also installed lights above all the electric boxes for easier parking after dark. These lights are powered when the 20amp is turned on in the electric box. They will automatically come on after dark. Compound 7 now has a fence and a gate! We will be adding more gravel once the new campground is completed. We also added a new culvert to the entrance of Chickadee Trail off the main road from Hill Country to Powder Mill. This should help with a lot of the runoff in this area.

Like most businesses throughout the nation, we continue to be short-staffed here at the Ranch. We currently have a total of 5 employees out due to COVID, two of which are from the accounting office. Keep in mind, our full staff is 80 employees. Be assured, as we have from the beginning of the Pandemic, we continue to work closely with the Ozark County Health Department regarding each individual case and are following the guidelines we receive from them. We are continuing to monitor the situation and hope to be back to regular hours very soon.

Your patience is greatly appreciated.

We have two events left in the month of July. First up is the Conservation Committee with another Trout Stocking on July 30th around 10am at the Kids Fishing Hole. Then closing out the month is the Activities Committee with a newly added event at the Adult Pool! Luau anyone?? Pretty sure I don't have to mention the 80's Weekend coming up in August, but I'm going to anyway! I can't wait! Make sure to check the events calendar every week as we are adding more fun activities around the Ranch!

Stay cool and keep smiling..We own a little slice of Paradise!

Happy Camping,
Mike Edmonds
Ranch Manager, Cloud 9 Ranch Inc.
