Hello,

What a weekend!! What a great job everyone did to make this years 80s Weekend a success! \$34,000.00 raised for the Volunteer Fire Department & First Responders! Congratulations! A huge thank you to everyone involved! We're still dealing with the hot temps here at the Ranch. A little rainfall and cooler temps would sure be welcomed!

We have added several new signs in various locations throughout the Ranch this week. Examples are the 24 hour boil order & fire ban when needed, overflow parking and no overflow parking. Please be aware of these and follow directions accordingly. We are also now in the beginning stages of the changeover to High Octane Fuel at the gas station. Our distributor was here yesterday installing pumps in the fuel tanks. This has been a long time coming and we are happy to get this process started!

The candidates running for the two—3 year seats on the Board of Directors resumes have been released. Remember, every vote counts! We need everyone that is eligible to vote to make sure they do! These are the folks that make the big decisions on your behalf.

**New Signs!**

**High Octane Started!**

The next Board of Directors meeting is scheduled for this Saturday at 9am in the Pavilion. Plan to attend or you may watch the live feed from the Facebook Page. Its always a good idea to keep yourself informed.

The Activities Committee has planned a Creek side BBQ coming up August 21st at the Fogey Tubes! My stomach says Yes! Stay cool my friends!

Happy Camping!

## A Word from the Ranger Station

With this being said, the Ranger Department would like to be transparent in the idea that citations can and will be written for rule violations.
