Hello,

Is it Spring already?! 70's and sunny here at the Ranch the last few days! I'm certainly not complaining! With the completion of Compound 7, the maintenance department has begun working on the Compound 6 off season project. We are clearing and working the ground to add additional spots to the compound. We are anticipating 35 more spots when the project is finished. I would also like to give a shout out to the Housekeeping girls! During their slow times they have been picking up trash on the front drive and also pitching in with the leaf removal around the Trading Post and Restaurant. With several of our staff utilizing their vacation time, the help is much appreciated!

We are kicking it off December 31st at the New Years Eve party in the Pavilion with a live band, food, favors, and fireworks! You don't want to miss it! If you think you had fun this year, you're not going to believe 2022! I can't wait to get started!

One last note, the Restaurant and Trading Post will be closing December 11th at 2pm for the employees well deserved Christmas Party.

A Word from the Ranger Station

The recreational facilities and campground amenities here at Cloud 9 Ranch are designed for the enjoyment, convenience, and entertainment of ranch owners and their guests alike. As with any social organization, rules are necessary and designed to safeguard the individual rights of each owner. With this being said, the Ranger Department would like to be transparent in the idea that citations can and will be written for rule violations.

Tickets are not posted until they are finalized by management

The C9R Rangers have no tickets to report this week.

If you have any questions in regards to rules, feel free to contact a ranger or grab a copy of the 2021 rulebook at the Gatehouse.

As always, it is the Ranger Station's proud privilege to serve C9R's owners and guests.
