Hello,

Well, all that wind sure brought in the rain! Cool rainy days for us around the Ranch.

Our guys were busy this week cutting the large tree behind the housekeeping building that was struck by lightening. They have it all cleaned up now!

We are also working in the restrooms at the Big Top. We were able to get the concrete poured and continue to make progress on that project.

Unfortunately, the laundromat is still without hot water. The needed parts have been ordered and now it's a waiting game.

Our volunteer member, who wishes to remain anonymous, has done a great job working in Wilder One! What a difference he has made in that area!

Thank you very much!

Large Tree Cleanup!

Wilder One!

I'd like to thank Mag and her fabulous staff for hosting the C9R Employee Christmas Party again this year! Everyone had a wonderful time and the food was delicious!

I've heard a few details regarding the New Years Eve Party this year..let me just say; Do Not Miss It!

Quick question..What kind of SXS does Santa ride?
A HOLLY TALON!

Keep Smiling & Happy Camping!

A Word from the Ranger Station

The recreational facilities and campground amenities here at Cloud 9 Ranch are designed for the enjoyment, convenience, and entertainment of ranch owners and their guests alike. As with any social organization, rules are necessary and designed to safeguard the individual rights of each owner. With this being said, the Ranger Department would like to be transparent in the idea that citations can and will be written for rule violations.

Tickets are not posted until they are finalized by management

The C9R Rangers have no tickets to report this week.

If you have any questions in regards to rules, feel free to contact a ranger or grab a copy of the 2021 rulebook at the Gatehouse.

As always, it is the Ranger Station's proud privilege to serve C9R's owners and guests.
