Hello,
Sunshine today! They are calling for snow on Saturday, but as you know, we are in Missouri so you never can tell! You better pack shorts and a coat!

Our maintenance crew has been busy this week. The corner posts have been driven in for the Compound 6 expansion project. This should give us approximately 25 more spots when completed. In addition to that we have been hauling materials and working on the Hill Country Annex roads. We hope to have most of the campground roads in much better shape by Spring!

Corner posts in Compound 6!

Road work in Hill Country Annex!

If you haven't had an opportunity to visit the Wilder area lately, you're in for a treat. Lot's of great changes are happening and I'm sure you will be thrilled. Hat's off to all our volunteers for assisting in this effort!
Don't forget the Board of Directors meeting this Saturday, 9am, in the Pavilion.

Happy Camping,

Mike Edmonds
Ranch Manager

A Word from the Ranger Station

The recreational facilities and campground amenities here at Cloud 9 Ranch are designed for the enjoyment, convenience, and entertainment of ranch owners and their guests alike. As with any social organization, rules are necessary and designed to safeguard the individual rights of each owner. With this being said, the Ranger Department would like to be transparent in the idea that citations can and will be written for rule violations.

Tickets are not posted until they are finalized by management

01/03/22

One ticket for smoking in a rental- \$100.00

01/04/22

If you have any questions in regards to rules, feel free to contact a ranger or grab a copy of the 2021 rulebook at the Gatehouse.

As always, it is the Ranger Station's proud privilege to serve C9R's owners and guests.

time to Remember

I joined C9R in the fall of 2010, so 2011 was really my 1st full year and I didn't want it to end. I was involved with a group called Cloud 9 Cruiser's Club and we worked very closely with the "market strategist"...Stephanie Harrison. That spring of 2011, a flood ravaged Wilder Springs and Fogey camp. I remember all the pullers and trucks getting called down to help evacuate campers because of the flash flood and water being just under the doors of campers. Campers were dragged up Fogey Road and moved to higher ground near the Craft House and upper Fogey. I remember seeing pictures of picnic tables in the top of trees near Gene Bean crossing. In October, a group of us were all camped together in Lonesome Pines in the area we called "the island." Fire pits were becoming popular and Mag was the first of our group to purchase one. So, the month of October, we all gathered at her camper, even if she was not there. We repaired the fencing and burned the bad pickets from the Pioneer Cemetery and had ghost fires.

We were convinced that the pioneers buried over by Minnie's Crossing would be gracing our campfire with their presence to thank us for continuing to look after their resting spot. Those were some great fires with Connie Roesch in charge of building a big fire and Wendall Ward would constantly stir the embers to keep it going. That year, 2011, was a good season to harvest deer. And many a hunter stopped by our campfires with their deer laid over the front or the backs of their atvs. I remember all the city dogs, big and small, being excited and yelping, howling, being in touch with their wolf ancestors, and sniffing the blood on the ground. What a great year it was. A lot of annual events were born that year or at least the ideas conceived for 2012, including the Gnome Hunt, Mud Bog, Duck Race, and Witch Hunt. And now, October can be just as busy as the summer weekends.
