Hello,

Snow flurries this morning around the Ranch and cool temps the rest of the week and into the weekend. I don't know about the rest of you, but I sure could use a few warm sunny days!

Maintenance and Resource have been working the ground leveling project around the Craft House this week. We have also worked the ground in Wilder 2 to help with the water drainage issues we've experienced in the past. A portion of the guys worked the Shady Lane area and behind Cabin Row doing tree trimming and clean up as well.

Cleanup in Shady Lane Area!

Work around Craft House!

Drainage work, Wilder 2!

Our 50th Anniversary Team (Laura, Mag, & Mary) are still looking for volunteers' for the events scheduled this year. If any of the dates on the calendar work for you, please let them know. I'm sure they could use the help! Don't forget to purchase the Activities Committee's Raffle tickets in the Trading Post. Drawings every Sunday for half the cash and if your name is drawn on Sunday it goes in the final draw for a year (2023) of membership dues paid if you win! What a deal!

Stay Warm & Happy Camping,

Mike Edmonds

A Word from the Ranger Station

The recreational facilities and campground amenities here at Cloud 9 Ranch are designed for the enjoyment, convenience, and entertainment of ranch owners and their guests alike. As with any social organization, rules are necessary and designed to safeguard the individual rights of each owner. With this being said, the Ranger Department would like to be transparent in the idea that citations can and will be written for rule violations.

Tickets are not posted until they are finalized by management

The Rangers Department is pleased to report zero tickets for this week.

If you have any questions in regards to rules, feel free to contact a ranger or grab a copy of the 2021 rulebook at the Gatehouse.

As always, it is the Ranger Station's proud privilege to serve C9R's owners and guests.

Ranch Report – Mike Edmonds

Good Morning!

First I would like to take the opportunity to welcome all of our Members, Board of Directors and Employees into 2022 as we celebrate our 50th year at Cloud 9 Ranch!

What a half century it has been! I have been fortunate enough to be a part of this wonderful ranch since the beginning. I am extremely proud to be a part of all the improvements we have done in the past few years and look forward to all the great things in store for our future!

We kicked off the new year with our 50th Anniversary New Year's Eve Party in the pavilion. Even with the nasty weather we all had a wonderful time. What a fantastic way to start our long list of 50th Anniversary special events scheduled for this year. If you haven't seen the calendar of events for this year check the website under the events tab, or register online to receive the weekly 9 Lines Newsletter. Our restaurant staff spent several days preparing a large variety of appetizers which were outstanding! The live band was great! If that band was an indication of the list of bands scheduled for this year on the lawn stage, we can look forward to some great music this year!

Since our last meeting we have completed many projects and continue to work through many more on the list. Here are just a few I wanted to highlight in case you missed it.

- **Fire ring in Hill Country playground area rebuilt.**
- **Removal of old phone booth/shed in Hill Country playground.**
- **Removal of several phone pegs located around the ranch.**
- **New billboards on both sides of the front drive entrance to the ranch.**
- **Completion of Compound 7.**
- **Big Top roof completion, including lettering.**
- **11 employees trained and certified to dispense propane.**
- **Volunteer Member, cleaned up Wilder so the ranch can now mow.**
- **Howell Oregon/N. Ark Electric - tree trimming along power lines.**
- **Lots of tree trimming and clean up throughout the ranch.**
- **Began clearing and cleanup at Fogey Hollow Lookout.**
- **Began repairing roads in Hill Country Annex Campground.**
- **Began remodel of Big Top Restrooms to include wheelchair access.**
- **Began working on adding 25/30 additional spots to Compound 6.**

In conclusion, if you haven't been to the ranch since Halloween you will be pleasantly surprised at what has been accomplished! And much more still to do before the season starts!

Happy Camping and Happy 50th Anniversary Ranch Family!
