Hello,

It's a beautiful day at the Ranch today! We are enjoying every minute of it. I know it's hard to believe but snow is in the forecast for tomorrow. I just gave up and started carrying both t-shirts and coats in my truck, just in case!

The Maintenance team has completed the Big Top restroom project. You will be amazed at how good they both look. What a difference. We have also added three porta potties to the outdoor stage area. No more hiking to use the restroom. Yay!

Big Top Restrooms!

Porta Potties Installed!

Folks, we are accepting applications in all departments at the Ranch. We need to get our team hired and trained for the big season ahead. Help us spread the word! Additionally, we are still looking for member volunteers to assist with the 50th Events. If you would like to help out, be sure to reach out to Laura Sandage and she will add you to the list. Remember, it takes a village! Don't forget the Board of directors meeting this Saturday at 9am in the Pavilion and the Annual Gnome Hunt next Saturday.

Happy Camping,

**Mike Edmonds
Ranch Manager
Cloud 9 Ranch, Inc.**

A Word from the Ranger Station

The recreational facilities and campground amenities here at Cloud 9 Ranch are designed for the enjoyment, convenience, and entertainment of ranch owners and their guests alike. As with any social organization, rules are necessary and designed to safeguard the individual rights of each owner. With this being said, the Ranger Department would like to be transparent in the idea that citations can and will be written for rule violations.

Tickets are not posted until they are finalized by management

The Ranger Department has zero tickets to report this week.

If you have any questions in regards to rules, feel free to contact a ranger or grab a copy of the 2022 rulebook at the Gatehouse.

As always, it is the Ranger Station's proud privilege to serve C9R's owners and guests.
