Hello,

In case you haven't heard, we had a little rain yesterday..actually a lot of rain! 2.8 inches to be exact! We briefly had to close the front drive due to high water and all crossing were also closed. Water rises very quickly around here with rainfall like that!

We were able to work on the upper road in Fogey Campground prior to the rains arrival. It is looking much better. We have also added 4 power boxes and water to the "New Vendor Row" in front of Lonesome Pines Campground. This will allow for 8 vendor spots with power and water.

Road Work in Fogey!

Electric & Water at New Vendor Row!

We had a great turnout for the 1st Extreme Group Ride on Saturday. Thanks to all involved in making that a success. Conservation has their first trout stocking on April 15th. Easter is right around the corner and the Ranch has a fun and exciting lineup for Saturday April 16th! The Ranch Riders also have their first Marble Run of the year scheduled for the 16th. Plan to bring the family and spend an awesome day at the Ranch!

Happy Camping,  
Mike Edmonds  
Ranch Manager

### A Word from the Ranger Station

The recreational facilities and campground amenities here at Cloud 9 Ranch are designed for the enjoyment, convenience, and entertainment of ranch owners and their guests alike. As with any social organization, rules are necessary and designed to safeguard the individual rights of each owner. With this being said, the Ranger Department would like to be transparent in the idea that citations can and will be written for rule violations.
