Hello,

Once again we've had our share of rain. All crossing are currently closed due to high water until further notice. We are expecting more rain today and into tonight so the creek will continue to rise. Everyone please use extreme caution anytime you are near high or rising water. Trust me, I know, it comes up quick! Speaking of high water, the Conservation Committee has moved their trout stocking from this Friday to next Friday to allow the water level to drop before stocking.

Some of you may have noticed, we moved the gravel plant to more solid ground at the end of Dry Gulch Road, behind the waste water treatment plant. With harder ground in the area, and the heavy equipment we have to use, this is an ideal spot. Please be aware of any gravel trucks entering or exiting this area during work hours. Additionally, we were able to complete and open up 8 more spots in Compound 6. This should bring our current waiting list to zero.

High Water at Crossing!

Gravel Plant New Location!

Don't forget the Karaoke Contest Saturday night at 7pm on the Lawn Stage! If you have talent, there's still time to get on the list. I've seen the trophies, they are HUGE..not to mention the boat load of cash!

Contact Laura in the sales office ahead of time or between 530-630pm on the lawn the night of the event. Good luck contestants!

Happy Camping,

Mike Edmonds

A Word from the Ranger Station

The recreational facilities and campground amenities here at Cloud 9 Ranch are designed for the enjoyment, convenience, and entertainment of ranch owners and their guests alike. As with any social organization, rules are necessary and designed to safeguard the individual rights of each owner. With this being said, the Ranger Department would like to be transparent in the idea that citations can and will be written for rule violations.

Tickets are not posted until they are finalized by management

04/30/2022

Speeding- \$60.00

If you have any questions in regards to rules, feel free to contact a ranger or grab a copy of the 2022 rulebook at the Gatehouse.

As always, it is the Ranger Station's proud privilege to serve C9R's owners and guests.
