Hello,

Rain or no rain, we're sitting on GO for an outstanding Holiday Weekend! A huge thank you to All our C9R Team! They have been working extremely hard to get our Ranch in tip-top shape for everyone. Mike tried out our "new to us" Woods 14 foot, single wing brush hog this week. We're certainly happy to add this to our ranch equipment.

New To Us Brush Hog!

Have you seen the schedule of events for this weekend yet? WOW! It's packed with fun! Be sure to pick up a copy at the gate or in the store. Conservation is kicking it all off with a 500 pound Trout Stocking Friday morning. The list goes on from there, including TWO GOLDEN TICKET bands, both Friday and Saturday nights, the Activities Committees Big Duck Race (have you seen the prizes for this??), the Annual 4th of July Parade & Watermelon Social to follow, the Craft House Flea Market & Family Bingo, the Kids Catfish Derby, the reopening of the Schoolhouse with FREE Golden Tickets, the Ranch Riders Marble Run, and just for fun..let's add the Jailhouse..in case you need "a little break" from someone :) Am I forgetting something?...Fireworks!! Members fireworks Saturday night and The Grand Finale Fireworks Sunday night! I'm exhausted just typing all this! Kidding aside, it's going to be a weekend at the Ranch you don't want to miss.

Just a few reminders, no fireworks of any kind are allowed in the campgrounds. The holiday occupancy rule this year is Friday, Saturday, and Sunday nights. Please watch your speed and be kind to your neighbors. We're all family here and love this Ranch.

Happy Camping & Have a Safe and Happy 4th of July,

Mike Edmonds
Ranch Manager
Cloud 9 Ranch, Inc.

A Word from the Ranger Station

The recreational facilities and campground amenities here at Cloud 9 Ranch are designed for the enjoyment, convenience, and entertainment of ranch owners and their guests alike. As with any social organization, rules are necessary and designed to safeguard the individual rights of each owner. With this being said, the Ranger Department would like to be transparent in the idea that citations can and will be written for rule violations.
