What's up 80's Party People?!

The highly anticipated VFD 80's Rock-n-Ride Weekend is here! We received a few nice showers this morning to settle the dust. We are ready to Rock the Ranch! Be sure to pick up your weekend event schedule at the Gate or the Trading Post. You don't want to miss a thing!

Contractors are nearing completion on the Craft House upgrades. What a huge difference!

Craft House Upgrade!

I absolutely hate having to make these types of announcements but I find this one necessary. The newly built retaining wall at Wilder is NOT a rock crawl! Furthermore, the creek below it is NOT a crossing. Come on people, use your common sense and stick to the roads and trails. Anyone caught on this wall or in the creek below will be automatically ticketed. I can assure you, you're not going to like it.

Stay OFF the wall!

Moving on, we're expecting a big crowd this weekend so let's remember to put your trash IN the dumpsters, not on top of them. It takes one second to open the lid and toss it in.

We have TWO great bands scheduled for both Friday and Saturday nights on the lawn stage. Lot's of great prizes, a kids pool party, a silent auction, the Craft house trivia, a costume contest, and don't forget..Fireworks again! It's going to be Totally Awesome!

Happy Camping, I'll catch you later..

A Word from the Ranger Station

The recreational facilities and campground amenities here at Cloud 9 Ranch are designed for the enjoyment, convenience, and entertainment of ranch owners and their guests alike. As with any social organization, rules are necessary and designed to safeguard the individual rights of each owner. With this being said, the Ranger Department would like to be transparent in the idea that citations can and will be written for rule violations.

Tickets are not posted until they are finalized by management

7-30-2022

1– Speeding- \$60

If you have any questions in regards to rules, feel free to contact a ranger or grab a copy of the 2022 rulebook at the Gatehouse.

As always, it is the Ranger Station's proud privilege to serve C9R's owners and guests.

The C9R Conservation Committee reported today that *Bruiser LeTrout*, obviously the smartest fish in Spring Creek, is **STILL AT LARGE!** Information has now surfaced that Mr. LeTrout was recently spotted traveling down stream with his partner in crime *Big Buster Urline*. A new bounty has been established offering \$200.00 cash to whomever can capture either of these notoriously sneaky swimmers! 'Bout forgot, they may be traveling with a posse of smaller tagged bandits known as the Rowdy Rainbows, which are worth \$10 each. If caught, proceed with caution and contact Chuck Russell or any other Conservation Member to collect your bounty.

Personal:

I have been a resident of Howell County, Missouri for the past 24 years. I have been blessed with a beautiful family that shares my love of the Ranch. My wife, Edith and I have been married for 24 years and have three children and two grandchildren. Before coming to Missouri, I would spend a large part of my time on the Rubicon Trail System in California. I am hoping to bring my experience on the Rubicon to Cloud 9 Ranch and help carve out more SAFE extreme caution trails for our wonderful members to enjoy. This is a true passion of mine and I hope that it shows with the quality of trails that have been added during the last four years. While at the ranch, if you can't find me out on the trails, I am out helping riders that have broken down or gotten lost. I consider the members of the ranch to be a part of the family and a firm believer that it is important that all members help make the Ranch a better place, not just for the current generation, but for those generations that will follow us.

Cloud 9 Ranch Experience: Member since 2017

- Ranch Riders Club – 2017 to Present
- Construction and Maintaining of the Extreme Caution Trail System – 2018 to Present
 - Zombie, Sledgehammer, Jack Hammer, Calamity, Crazy Horse, Polaris, PickAxe, Tie Rod, Hard Core and any future trails that may be created with member support.
- Trail Maintenance – 2017 to Present
- Ground Maintenance – 2022 to Present
- Coordinated the Extreme me Caution Ride in conjunction with the 50th Anniversary Events in March of 2022 and again in November of 2022.

Personal Experience:

- Twenty plus years over the road experience as an owner/operator in the logistics industry. During those 20 years I have helped deliver goods across the United States as well as Canada. Have received numerous safety awards throughout my career.
- Twenty plus years of experience as a mechanic.
 - Goodyear Tires – lead brakeman
 - Kabota Tractor
- Own and manage six rental properties in Howell County, Missouri.
- Kitchen experience: Cook and Busboy as a young man in California
- Farming experience: Helped run a dairy farm in Hilmar, California where I gained extensive experience in heavy equipment operations.

Conclusion:

If you are looking for a Board Member with a good work ethic and common sense, then I will not let you down, as I bring both to the table. I am loyal to a fault and some would even say that I would give the shirt off my back to those in need. I hope that my contributions to Cloud 9 Ranch have made a difference and will continue to make a difference for many years. Thank you for your support and I look forward to being a part of the Ranch for many years to come.
