Hello,

December already! I hope everyone had a wonderful Thanksgiving Holiday. I'm still full! Onward we go to Christmas and the New Year!

Lots of folks joined in the fun over the holiday weekend at the Ranch. The Pancake Breakfast, Extreme Caution Ride, and Where's Waldo hunt were all a big success. Thanks to everyone involved in making this happen. Congrats to Bill Jacobs for winning the Conservation Crossbow Raffle! Remember Ranch family, these raffles generate funds that go directly into the sponsoring committees' accounts so they can continue to host events and offer great prizes!

The maintenance team has been busy this week in the Lonesome Pines Campground stage stop. A wall has been taken down and has been removed to open up one shower stall for wheelchair access. Speaking of campgrounds, remember Fogey Hollow campground will be closing for the season December 5th. All campers must be removed prior to December 4th at 11:59pm. In addition, in case you hadn't noticed, we installed new doors on the restrooms at the Sales Office along with new signage.

New Restroom Doors

As we inch closer to the end of 2022 and prepare for 2023, I wanted to touch base on a few things. Please make sure all your contact information is current with the office. If you have a pay compound or Conex spot, please complete your contract for the new year and get it in as soon as possible to avoid any delays in processing. The deadline for returned contracts is December 31, 2022.

Happy Camping,

Mike Edmonds

A Word from the Ranger Station

The recreational facilities and campground amenities here at Cloud 9 Ranch are designed for the enjoyment, convenience, and entertainment of ranch owners and their guests alike. As with any social organization, rules are necessary and designed to safeguard the individual rights of each owner. With this being said, the Ranger Department would like to be transparent in the idea that citations can and will be written for rule violations.
