Hello Folks,

Winter season is here! It seems like the wind is coming from every direction at times. The forecast is calling for much colder temperatures this week and possible snow!

Speaking of snow, we have a new to the Ranch snowplow and new salt spreader installed on the 2008 Ford 250 truck that we bought this spring. This will definitely come in handy to help speed up our road clearing abilities. Not to mention the time it will save, fuel costs and the amount of salt needed to use to keep our roads cleared.

Don't forget the New Years Eve Celebration with The Nick Reed Band! Christmas is almost here! I wonder what Santa will bring us all? Wishing you all a Very Merry Christmas!

Happy Camping,

A Word from the Ranger Station

The recreational facilities and campground amenities here at Cloud 9 Ranch are designed for the enjoyment, convenience, and entertainment of ranch owners and their guests alike. As with any social organization, rules are necessary and designed to safeguard the individual rights of each owner. With this being said, the Ranger Department would like to be transparent in the idea that citations can and will be written for rule violations.

Tickets are not posted until they are finalized by management

The Ranger Department is happy to report zero tickets issued last week.

If you have any questions in regards to rules, feel free to contact a ranger or grab a copy of the 2022 rulebook at the Gatehouse.

As always, it is the Ranger Station's proud privilege to serve C9R's owners and guests.

Introducing Rosie Tackitt New C9R Marketing Director!

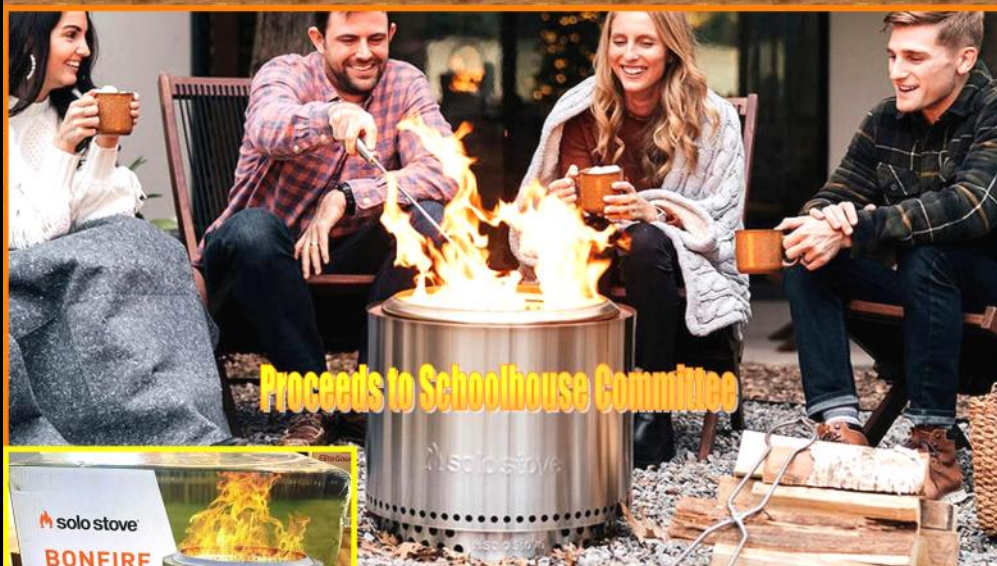

You may recognize Rosie from her morning rounds through the campgrounds this year. Rosie started her journey with Cloud 9 Ranch in the Spring of 2022 as part of the Gate House team in addition to updating the daily campground registries. Her outgoing personality, infectious smile, and great attitude, coupled with her love for Cloud 9, made her the obvious choice for the newly opened Marketing Director position. Please join me as we welcome and encourage her in her new position with our wonderful Cloud 9 Staff.
