Hi Everyone!

Hope you all had a wonderful Christmas Holiday! We had a couple of inches of snow fall on us here at the Ranch! All of the roads are now clear and the snow has melted. The temperature Friday morning was -7 with the wind chill all the way at -27 ! Today we are back to 70 degrees, and above the normal average temps for this next week!

The new snowplow and salt spreader was put to good use last week! It used to take 3 1/2 to 4 hours to salt the front drive. It only took 25 minutes this time with new salt spreader! Much more efficient! The Fogey Hollow Lookout area is getting some attention. The parking area is being reworked so it will be in great shape this Spring!

Fogey Hollow Lookout

Our Maintenance Department has also been busy repairing frozen/ broken water lines, and fixing all the damage the freezing temperatures caused! They are working hard to make sure the Ranch is ready for our New Year's Eve event this Saturday! With the warmer here, it will be an awesome weekend celebrate the New Year! I'm looking forward to it! Hope to see you there!

Happy Camping,

**Mike Edmonds

Cloud 9 Ranch, Inc.**

A Word from the Ranger Station

The recreational facilities and campground amenities here at Cloud 9 Ranch are designed for the enjoyment, convenience, and entertainment of ranch owners and their guests alike. As with any social organization, rules are necessary and designed to safeguard the individual rights of each owner. With this being said, the Ranger Department would like to be transparent in the idea that citations can and will be written for rule violations.

Tickets are not posted until they are finalized by management

The Ranger Department is happy to report zero tickets issued last week.

If you have any questions in regards to rules, feel free to contact a ranger or grab a copy of the 2022 rulebook at the Gatehouse.

As always, it is the Ranger Station's proud privilege to serve C9R's owners and guests.
