**Hello!**

**This winter weather sure makes for some beautiful scenery here at the Ranch! We received over eight plus inches of snow here last week and at least one and a half inches of sleet and freezing rain this week.**

**Snowfall Scene**

**Snowfall Scene**

**Last week the maintenance crew removed two very old and unsightly light poles and installed a new LED light fixture at the big overhead sign at the main entrance of the Ranch, as well as one at the overflow parking area in Wilder Springs. We have also ran a new power line for the well at Wilder Springs. After the snow hit us last week we lost power to several areas of the Ranch including Hill Country Campground, all of the offices, and several other areas. The offices were closed Tuesday afternoon through Sunday, and closed again this Monday because of more ice and sleet. Around 15,000 total services in our area lost power with our local electric provider Howell-Oregon Electric Cooperative.**

**Page 1**

**Our maintenance crew also stayed busy keeping the roads clear with our snow plows, and salt spreader to make sure we can all make it around the Ranch safely.**

**New LED Fixture**

**Snow Plow in Action**

**Last Saturday's Board of Directors meeting went well. The Board approved two new washers and dryers for our housekeeping department, along with a new dump trailer for the maintenance department. In a special session by email, the purchase of 150 picnic table/leg hardware sets and the lumber to complete them were approved. I'm looking forward to seeing all that we accomplish over the next couple months!**

**Our Ranch Committees are still in search of volunteers so if you know anyone who is interested have them contact us. Conservation Committee's Valentine Heart Hunt is just a little over a week away! Don't forget our Trading Post Restaurant "We Love C9R" drawing that will be held on Valentine's Day at 2pm, (no need to be present to win). The winner will receive six months of paid maintenance fees, a total value of \$300! We will be having a Job Fair on March 23rd, looking forward to staffing the Ranch for this coming season. Hang in there folks, Spring will be here before we know it!**

**Happy Camping!**

### A Word from the Ranger Station

The recreational facilities and campground amenities here at Cloud 9 Ranch are designed for the enjoyment, convenience, and entertainment of ranch owners and their guests alike. As with any social organization, rules are necessary and designed to safeguard the individual rights of each owner. With this being said, the Ranger Department would like to be transparent in the idea that citations can and will be written for rule violations.

**\*Tickets are not posted until they are finalized by management\***

**The Ranger Department is happy to report zero tickets for last week and this week.**

If you have any questions in regards to rules, feel free to contact a ranger or grab a copy of the 2022 rulebook at the Gatehouse.

As always, it is the Ranger Station's proud privilege to serve C9R's owners and guests.

# *A note from the Activities Committee*

**Hello Cloud 9 Ranch Family!**

**My name is Harvey Reel. My wife Stacy and I are excited to announce that we have volunteered to take over the Activities Committee! We are in the process of planning a meeting over the phone once we have everything put together. We are really looking forward to lots of fun activities this year! Any and all type of help will truly be appreciated! Also, we would love to hear of any ideas for the coming year.**

**Last year the Activities Committee sponsored about 12 events and we are hoping to do the same this year! Volunteers are so very important in the success of the events we sponsor. Even if you can only volunteer to help with one or two events per year, it will help tremendously!**

**Please text me at (573)718-0545, or my wife Stacy at (573)429-8484 if you are willing to help at all when you are visiting the Ranch.**

**Sincerely,  
Harvey & Stacy Reel**
