A Word from the Ranger Station

The recreational facilities and campground amenities here at Cloud 9 Ranch are designed for the enjoyment, convenience, and entertainment of ranch owners and their guests alike. As with any social organization, rules are necessary and designed to safeguard the individual rights of each owner. With this being said, the Ranger Department would like to be transparent in the idea that citations can and will be written for rule violations.

**\*Tickets are not posted until they are finalized by management\***

**The Ranger Department is happy to report zero tickets for this week.**

If you have any questions in regards to rules, feel free to contact a ranger or grab a copy of the 2023 rulebook at the Gatehouse.

As always, it is the Ranger Station's proud privilege to serve C9R's owners and guests.

Ranch Management Report  
Board of Directors Meeting  
Saturday, March 11<sup>th</sup>, 2023

Good morning Everyone,

Welcome to the second Board of Directors Meeting of 2023! As most of you know we are working in Lonesome Pines Campground this off season. The main Stage Stop is receiving a new coat of paint inside and wheel chair accessible showers with new fixtures in all of the showers and stainless steel cover pans. We are also doing a lot of road work to help with rain water drainage, filling in lots of low spots in the campsite yards, tree trimming, and unsound tree removal and have dug up and made many septic line repairs. In the Fogey Stage Stop we are building wheel chair accessible showers, toilets, and sinks. Lonesome Pines will open April 1<sup>st</sup> with a few areas that we have done extensive dirt work closed until early May. Fogey Campground will open May 1<sup>st</sup>. Over the last year and a half I have been meeting with Howell Oregon Electric Co/Op on the old and failing underground power primary wiring here at the Ranch and I am very proud to announce that they will soon be replacing all of the old underground primary lines at no cost to the Ranch and will be doing it all with an underground boring machine as it was done in Powder Mill 2 years ago. We will only have a hole dug up on each end of the line and not a lot of property dug up as we did in Lonesome Pines 5 years ago. This work will begin in Lonesome with the areas that were not replaced at that time. Then the primary lines to the Store, Restaurant and to the transformer that feeds the Offices, Fitness Room, and Pavilion. Next will be Hill Country and Hill Country Annex and then Fogey. Per Howell Oregon all of this will be done by May 1<sup>st</sup>. Some of the things we are working on or have completed since my last Board Meeting Report include:

- New LED Lighting at the Entrance overhead sign
- Removed 2 old light poles behind Entrance sign. Removed 2 bushes in front of sign and removed many years of redone wiring and conduit for a much needed clean up of our Entrance Sign
- Moved the 35 mph Speed limit sign from in front of the Entrance Sign and relocated it to the first straight portion of the Front Drive
- Cutting Firewood and Logs from downed and Dead trees
- Purchased a new Dump Trailer

- The New Rear Discharge Grasshopper mowers have come in
- New Pool Table and pool sticks in the Pavilion
- The Trading Post is now an AMSOIL Distributor
- Reworking and Cleaning out Ditch lines to help with Rain water Flow
- Trimming the Road Shoulders for rain water to flow off the roads
- Ordered new Washers and Dryers for our Housekeeping they should be installed next week
- Ordered Lumber & Picnic Table Frames for 150 picnic tables. The lumber is here. Table frames should be here in a couple weeks
- New LED Lighting in the Fitness Room
- New LED Lighting in the Gatehouse
- New Flooring in Cabin #7 with 3 additional cabins to have Flooring Replaced on Cabin Row
- New LED Lighting at the Memorial Wall
- Grading work in Hill Country Annex, Dry Gulch Road, Cold Ridge Road, and the road to Compound #7
- The rain water runoff creek that Flowed through the Center of the Dog Park has been diverted to flow behind the park

In conclusion we are very busy this off season and need some good weather to allow us to wrap up many projects. Check out the schedule of Events listing because we have many Great Events and Bands planned this year! I am looking forward for all the members to see the Improvement that we have done this off season!

Happy Camping!
