Hello Everyone!

This year is really flying by! Can you believe June is almost halfway over? The 4th of July Weekend will be here before we know it. Please keep in mind if you have a camper on a Campsite that you must occupy it on the nights of June 30, July 1, & July 2. If you can not stay those three nights you may pull your camper off of the campsite or store it in one of the compounds to keep from violating the Holiday Occupancy Rules.

We have been extremely busy around the Ranch. It's been great seeing everyone out and about! Our Employees have been working hard in each Department making sure everything runs smoothly. The Maintenance Department has built a new fence for the parking area at the Shady Lane rental. Two sewer lines had to be dug up and repaired due to someone putting rocks down the drains. Please **DO NOT** flush Wipes, Paper Towels, Feminine Products, Rocks, or other Non-Flushable items down the drains.

This Saturday, June 10th is the Pancake Breakfast from 8am-10am followed by the Extreme Rock Crawl at the T-Top at 10am, the Crawl will start at 10:30am. Special Thanks to our Premium Sponsor Next Level Powersports & Marine, Terry Wilcox and his group Leaders, and our Volunteer Fire Department for helping us with the Pancake Breakfast and Extreme Rock Crawl Event. It will be a fun time!

We have a lot of great events scheduled to keep you busy and entertained including three Bands coming to play live music for us the next 3 Saturdays! Be sure to bring your lawn chairs and come check them out! For a list of full events go to our website:

Hope to see you all soon and have a great weekend!

Happy Camping!

Management Reports:

Ranch Report – Mike Edmonds

Good morning everyone!

Welcome to the May 13th Board of Directors meeting. The third meeting of 2023. The members that have been to the Ranch this In- Season have seen all the areas that we have been very busy working in. For you that are watching online I look forward to your arrivals to see what we have done and all of the improvements. New cabins! Our six new cabins started arriving a few weeks ago roughly two and a half weeks earlier than estimated by Current River Builders. We have been busy working on the needed sewer, water and electrical modifications on the existing sites to accommodate the cabins. All cabins have been placed and leveled by Current River. Kurt and Ted have electrical and plumbing work going on in all six units. One cabin is ready for the contractor to start the build out and the rest are well on the way. Three more cabins will be ready by next weekend with the other two ready very soon.

All six cabins have been placed on unusable pads that 98% of the members could never get a camper on. Five of the pads in Melody Lane Campground that the developer had the 17 ft campers on that new member sales projects stayed in while they were here for tours, before Melody Lane was even a campground for use by the members. Pad #49 in Hill Country, the only way on to that pad is to cross the water lines and the pad directly behind it.

The early arrival of the cabins has postponed our concrete projects until early June at best. A few of the projects are the two pads in Lonesome

Pines pad #103 and #104, The Big Top outer pad that was cut for the gutter drains, the gate service road pavement approach, the stage unloading pad for the bands and the entrance to the Pavilion.

If you have had the chance to look at the 2023 events it really starts happening next weekend with our first band and Spring Festival Saturday the 20th. It is full of events throughout the rest of the year! The first Buggy Bingo was held two weeks ago and the Activities Committee brought their A-game and it was a great success! I want to give a big shout to John Mallott, Chuck Russell, Harvey Reel and all of the other volunteers that cut the boards and assembled 150 new picnic tables. With their hard work the ranch now has 150 new tables at the cost of what 100 tables would have been. A few, but not all the projects we have been working on since the last Board Meeting are:

- Two new washers and dryers in housekeeping * New drain system installed at housekeeping**
- * First ever Job Fair held at the Ranch**
- * Working on Ditch lines and water drainage on most paved roads**
- * New cattle guard end marker fences/panels**
- * Over 120 new picnic tables distributed in the campgrounds**
- * Rebuilt the railing at the Wilder handicap fishing ramp**
- * Purchased a new electronic LED sign with the Activities, Conservation and Ranch Riders club**
- * Arcade games and the Big Top**
- * Jukebox in the Pavilion**
- * New smoker for the restaurant**
- * Cleaned up the Agape Garden at the Gate House**
- * Six new cabins on the ranch set and level**
- * Kelly construction has completed the boring portion of the new primary electric lines**
- * Big Top has received its new primary wiring and is completed**
- * Next Level Powersports is the Ranches premium sponsor for the year**
- * Completed the Lonesome Pines and Fogey Stage-Stop remodels and wheelchair accessible showers and toilets**
- * Done lots of road, campsite and septic repairs and Lonesome Pines**
- * Converting the preteen Center into a family center**
- * Cutting and removing dead trees all around main areas of the ranch**
- * Rework the Fogey Lookout and graveled. new railing being sought**
- * Started working on the big top and adult pools**
- Reshaped the big top parking lot and graveled**

In conclusion it has been a very busy and productive off season! I wish we had more time for other projects but it's crunch time for Memorial Day Weekend!

Happy Camping!
