As with any social organization, rules are necessary and designed to safeguard the individual rights of each owner. With this being said, the Ranger Department would like to be transparent in the idea that citations can and will be written for rule violations.

80'S WEEKEND!

Hi Everyone,

With 80's Weekend rapidly approaching, Fire Chief Joey Hedrick and all of the Cloud 9 Ranch Fire Department & First Responders would like to thank all of the members for their continued support as well as give a brief explanation of what 80's Weekend means to us as a group and to be able to serve our awesome Ranch. 80's Weekend is a fire department fundraiser where *100% of the proceeds go directly back into our little fire department.*

Check out what we have going on!

- We have a Silent Auction at the School House Saturday 11am-4pm.
- A Pellet Smoker Raffle, a 50/50 Raffle,
- Prize Drawing Raffle with prizes to be announced in 9-lines.

All drawings will be done Saturday night during intermission.

As part of the 80's Weekend we also have "Give-Back" Events such as the..

- Kids pool party Saturday 12:30pm-2pm.
- Costume contest Saturday 7pm-8pm where there are no costs to participate.
- Dead Metal Society here Friday night and Machine Gun Symphony Saturday night to ROCK THE RANCH!!! Don't miss the chance to see these great bands!!!

Come out, have fun and be sure to say hey to all of our great fire department volunteers who work to keep our ranch safe every day.

All funding and donations from 80's weekend is used to provide training to personnel, Medical and Fire related supplies, and all the necessary equipment such as our ambulance, rescue side by side, or any of our fire trucks. We are pushing to grow and update our fire department as times change and our ranch evolves year after year.

Once again, Thank you for supporting our group and it is our pleasure to serve such an amazing place with such great members.

We hope to see each and every one of you August 4th and 5th for great weekend!

*Joey Hedrick

DID YOU KNOW.....

We have had some questions recently regarding the Stream Restrictions and rules. Listed below is section #19, A-D from the Cloud 9 Ranch 2023 rulebook

CLOUD 9 RANCH 2023 RULEBOOK PAGE 10, SECTION 19, A-D

A. Stream Restrictions: The stream is restricted to fishing only from Wilder Springs to twenty-five (25) yards above Fogey Tubes. No recreational wading, swimming, diving, or jumping off any portion of the stream bank allowed. Floaters and fishermen are asked to respect each other's activities.

B. Crossings: Do not impede authorized crossings in a manner that prevents others from proceeding across the waterway.

- ATVs/UTVs/Off-road vehicles may cross at designated crossings only. Designated crossings are identified by signs.

- Entering or exiting creek at undesignated crossings will result in fines and/or suspension. See Fine Schedule in Appendix I.

C. Protection Of Stream Beds: Streams and springs throughout Cloud 9 Ranch property are governed by the Missouri Department of Conservation. Destruction of streambeds is a federal offense and enforceable by the United States of America and the State of Missouri.

Considering the laws pertaining to protection of streambeds, the following violations are strictly enforced:

- No parking in stream beds
- Littering streams with cans, bottles, waste, or garbage is strictly prohibited.
- Polluting water with soaps/detergents/chemicals; including, but not limited to, washing of vehicles, ATVs/UTVs/Off- road vehicles, clothes, dishes or cooking utensils in the streams or ponds

D. Joyriding in the stream: Vehicles must be single-file when crossing a stream. Joyriding is defined as any riding

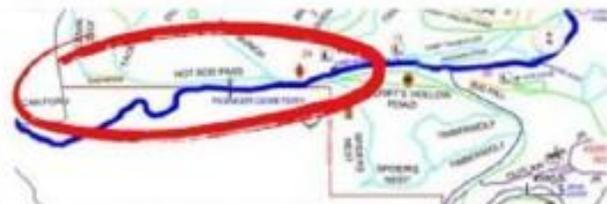

that (1) is not in a continued motion in an approximate straight line to the other bank, (2) going back and forth in an unreasonable short period of time, (3) traveling up or down the stream in areas not specifically marked as an approved crossing, or (4) for similar actions. See Joy Riding in Fine Schedule in Appendix I.

NOTE FROM THE Conservation Committee

- The Cloud 9 Ranch Conservation Committee has approved for members to sit along side the edges of the stream during the seasonal hot temperatures to allow for cooling off of feet. Please respect fishermen's activities.

NOTE FROM MANAGEMENT

CROSSING ONTO PRIVATE PROPERTY FROM CLOUD 9 TRAILS HAS BECOME AN ISSUE. THE ADJACENT LAND OWNERS HAVE COMPLAINED AND HAVE INSTALLED TRAIL CAMERAS TO CATCH THE VIOLATOR(S). THEY DO NOT WISH TO CONTACT THE OZARK COUNTY SHERIFF'S DEPARTMENT, HOWEVER, IF MEMBERS CONTINUE TO TRESPASS THEY WILL HAVE NO CHOICE.
