### MIKE EDMONDS RANCH MANAGER

#### **Howdy Folks!**

I hope you have all enjoyed your summer so far. It has been another great week here at Cloud 9 Ranch. The trails are so much fun, and this weather has been perfect for riding!

Work is progressing on the entrance to the Pavilion. Concrete is being poured today and the new entrance will be ready use soon.

Make sure to stop in at the Trading Post Store and Restaurant when you visit. They have delicious food and some pretty cool items! Craving pizza or ice cream...? The Big Top will hook you up!

Labor Day weekend will be here before we know it. The Red Light Runner Band is scheduled to play Friday night and the Karaoke Contest Saturday night. Our Ranch Committees also have some fun events planned. Hope to see you all soon!

# Ranger Report

The recreational facilities and campground amenities here at Cloud 9 Ranch are designed for the enjoyment, convenience, and entertainment of ranch owners and their guests alike. As with any social organization, rules are necessary and designed to safeguard the individual rights of each owner. With this being said, the Ranger Department would like to be transparent in the idea that citations can and will be written for rule violations.

## Who am I:

Born February 20<sup>th</sup> 1973, surrounded by family members working in various automotive fields so my passion for anything automotive came naturally. I was raised in a small-town atmosphere having instilled upon me the value of honesty, respect, and hard work. With an Army Father and Marine Grandfather, I never had the option of being dishonest, disrespectful, or being afraid of hard work. Still to this day I believe in the value of those traits. Naturally I still make time for my automotive hobbies as well. My father joined Cloud 9 in the late 80's. Prior to my father Everett SR becoming a member he brought his trencher down to dig in water and electric lines. These were my first memories of the ranch as a child. I have always had a love of our piece of paradise. My wife and I bought our membership in 2012, and this has been the beginning of our memories.

I care about the future of the ranch. Prior to the flood, Wilder was our favorite campground. We were both saddened by the destruction that the flood had caused. In 2021 I received permission from our ranch management to bring my dozer to clean up Wilder 1, in hopes of one day seeing it reopened. In our time down here, I try and spend time helping maintain trails and continue the cleanup of our campgrounds.

## Why am I interested in this position:

My most important objective is to help our members and assist in maintaining the strength and integrity of Cloud 9 Ranch and assist in continuing the improvements seen around Cloud 9. If elected I would be available to the members and employees to assist in concerns and resolve issues in a timely manner. I hope to be an integral part of the board of directors to accomplish this. I'm confident your choice for Board of Directors will be the best for the membership but I also believe I'm the best person for our Ranch friends and family.

Thank you for your consideration.

## Work History:

- Currently serving as Assistant General Chairman for the ATSF System Federation, Labor Union that represents BNSF Maintenance of Way Employees
- President of Union Local 2433 of West Plains, MO
- Served as an Interim Executive Board member for ATSF System Federation
- BNSF Railway 1998- 2022
- Held various craft positions such as Foreman, Welder, Machine Operator, and 2 years as a supervisor.
- O'Reilly Auto Parts 1993-1998  
Counter Sales, Night Manager, and automotive paint salesman at the time of my resignation.

# DID YOU KNOW.....

We have had some questions recently regarding the Stream Restrictions and rules. Listed below is section #19, A-D from the Cloud 9 Ranch 2023 rulebook

## CLOUD 9 RANCH 2023 RULEBOOK PAGE 10, SECTION 19, A-D

**A. Stream Restrictions:** The stream is restricted to fishing only from Wilder Springs to twenty-five (25) yards above Fogey Tubes. No recreational wading, swimming, diving, or jumping off any portion of the stream bank allowed. Floaters and fishermen are asked to respect each other's activities.

**B. Crossings:** Do not impede authorized crossings in a manner that prevents others from proceeding across the waterway.

- ATVs/UTVs/Off-road vehicles may cross at designated crossings only. Designated crossings are identified by signs.

- Entering or exiting creek at undesignated crossings will result in fines and/or suspension. See Fine Schedule in Appendix I.

**C. Protection Of Stream Beds:** Streams and springs throughout Cloud 9 Ranch property are governed by the Missouri Department of Conservation. Destruction of streambeds is a federal offense and enforceable by the United States of America and the State of Missouri.

Considering the laws pertaining to protection of streambeds, the following violations are strictly enforced:

- No parking in stream beds
- Littering streams with cans, bottles, waste, or garbage is strictly prohibited.
- Polluting water with soaps/detergents/chemicals; including, but not limited to, washing of vehicles, ATVs/UTVs/Off- road vehicles, clothes, dishes or cooking utensils in the streams or ponds

## NOTE FROM THE Conservation Committee

- The Cloud 9 Ranch Conservation Committee has approved for members to sit along side the edges of the stream during the seasonal hot temperatures to allow for cooling off of feet. Please respect fishermen's activities.

## NOTE FROM MANAGEMENT

CROSSING ONTO PRIVATE PROPERTY FROM CLOUD 9 TRAILS HAS BECOME AN ISSUE. THE ADJACENT LAND OWNERS HAVE COMPLAINED AND HAVE INSTALLED TRAIL CAMERAS TO CATCH THE VIOLATOR(S). THEY DO NOT WISH TO CONTACT THE OZARK COUNTY SHERIFF'S DEPARTMENT, HOWEVER, IF MEMBERS CONTINUE TO TRESPASS THEY WILL HAVE NO CHOICE.
