Weekly Report

MIKE EDMONDS  
RANCH MANAGER

**Hi Everyone!**

The weather has been beautiful this last week and fall is here! Please be aware of your cables that are running from your camper to your tv satellite dishes as well as your internet dishes. We are asking that if you have any cables running from your camper that you are marking them with pool noodles, flags etc. something that will help our mowers see your cable lines to avoid hitting them.

We have lots of exciting things going on to get ready for the upcoming events in October, be sure to watch the 9 Lines, our Facebook Page and our Website for current updates!

We want to make sure that all members are aware of the rules for pad occupancy, they are stated below from the rule book.

**A) 30-Day Pad Occupancy:** Most pad locations in all the campgrounds are designated as 30-day pads. Owner-Member/Associate is required to vacate and move all equipment every thirty (30) days to a different campground, regardless of the number of memberships owned, and may not return to the previous campground for a period of four (4) days. Owner-Member/Associate may not occupy the same pad location between November 1st and October 31st the following year.

**EXCEPTION:** If Owner-Member/Associate vacates a pad and checks out/leaves the Ranch for a minimum of ninety-six (96) hours, they may then return to a previous pad location during the time specified above.

Hope everyone has a great weekend!

HAPPY CAMPING
