Cloud 9 Ranch Conservation Committee

**Hi Everyone!**

We had a great Halloween weekend, even though we got lot's of rain but it didn't dampen our C9R Halloween Spirit! We are now in our off season and as a reminder if your camper is out on a pad, unplugged the daily usage is \$3.00 a day. We still have some fun events coming up this month and I encourage our members to come out and participate!

- As a reminder we have a Board Meeting this Saturday, November 4th at 2:00PM
- Fogey and Wilder Campgrounds will be closing for winter on November 30th, 2023. All campers, trailers, etc. need to be removed by December 1st, 2023.
- A friendly reminder regarding the Cloud 9 Ranch Storage Compounds 2 & 3. Starting January 1st, we will start charging the daily storage and towing fee's for moving any items to a non-secured area on Cloud 9 Ranch (as noted in the rules below).

We have many units in the compound with no # displayed or poorly displayed and unreadable # that needs to be corrected ASAP! These units can also be moved to a non-secured area pending legal action or recovery by the owner.

2023-Page B

H. Items left in the locked compounds 2 and 3 must be moved within two (2) years. If you are not able to move the item(s) you may request a one-time six (6) month extension. The one-time request for extension must be submitted to the Ranch Manager in writing no less than ten (10) business days before your two (2) year allotted time expires. Please get in touch with me immediately to resolve this issue. Mike Edmonds at gm@cloud9ranch.com.

a) If you do not move your stored items within the time frame mentioned above, you will incur daily storage fees, as per current Fee Schedule, while the Ranch completes its due diligence to notify you of the sale of your property.

b) Any items that have not been removed from locked compounds 2 and 3 within six (6) months after the allotted time has expired may be removed and placed in a non-secured area pending legal action or recovery by owner. i. Daily storage fees will cease once item is moved to a non-secure area by order of Ranch Manger or designee.
