**IMPORTANT
ANNOUNCEMENT**

"We are happy to announce that we now offer propane dispensing 24/7 again, we had a great class for our employees to get recertified and had some new certifications to help meet the needs of our members. Unfortunately, we were also informed by the State of Missouri inspector who was at the class that we must start inspecting the tanks we fill better, we were found to be not in compliance with this. We were informed that if an employee fills an out-of-date tank, they can be fined \$5000 personally as well as other fines for the Ranch. We have ordered stickers that we are required to put on each tank our employees fill. Employees will be checking for damaged tanks as well as tanks out of date. You can check your own tank to see if it is in date before bringing it up. On the collar of the tank there will be a date, if it has a date and not letter it is good for 12 years from the date on the tank. If it has a date and the letter E behind it, the tank is good for 5 years from the date. If the date has the letter S after it the tank is good for 10 years from the date on the tank. Examples : 10/20 good till October of 2032 10/20 E good till October 2025, and 10/20 S good till October 2030. A Ranger will check and let you know what the date on your tank is at the time of filling. Currently we do not have any tanks to replace damaged or out of date tanks. We will be working on getting a list together where tanks can be purchased locally."

Hi Everyone!

Week 1
JANUARY 4th
2024

The New Years Eve Party was a great turn out with great music and signing! We appreciate everyone that was able to make it out for a finale of the Cloud 9 Ranch 2023 year end event- Now onto 2024 and it is already looking like a great schedule of events! The last few weeks we have been working on the gravel portion of Spring Road and XXX Road to Lonnie's and Lonnie's Lookout area, please use caution in these areas. Soon to come to Lonnie's will be a new pipe fence and new picnic table area!

- A friendly reminder regarding the Cloud 9 Ranch Storage Compounds 2 & 3. **Starting January 1st, we will start charging the daily storage and towing fee's for moving any items to a non-secured area on Cloud 9 Ranch (as noted in the rules below).**

We have many units in the compound with no # displayed or poorly displayed and unreadable # that needs to be corrected ASAP!

These units can also be moved to a non-secured area pending legal action or recovery by the owner.
