Weekly Report **MIKE EDMONDS**
RANCH MANAGER

Hi Everyone!

Week 18
May 2nd 2024

Lots of projects are going on here at your Ranch! In preparation for the second incoming line at the Gate House the sales office will be moved to the top of the service drive at the old mobile home pad. New bathrooms will be installed in the old sales office area. The 4 new 35-foot poles at the General parking area now have new LED lights and the road, store parking lot, general parking area and the new office now have very good lighting. The new wheelchair accessible Cabin #46 in Melody Lane has a concrete pad, and we will be building a wheelchair accessible ramp soon. In the Board of Directors Meeting on April 27th it was approved to purchase and install an ATM machine. It will be installed in the store where the old ATM was located when it comes in. Compound #2 is cleaned out. If your trailer was pulled, please email me at gm@cloud9ranch.com. We will start Compound #3 soon.

Thanks,
Mike

**IMPORTANT
ANNOUNCEMENT**

“We are happy to announce that we now offer propane dispensing 24/7 again, we had a great class for our employees to get recertified and had some new certifications to help meet the needs of our members. Unfortunately, we were also informed by the State of Missouri inspector who was at the class that we must start inspecting the tanks we fill better, we were found to be not in compliance with this. We were informed that if an employee fills an out-of-date tank, they can be fined \$5000 personally as well as other fines for the Ranch. We have ordered stickers that we are required to put on each tank our employees fill. Employees will be checking for damaged tanks as well as tanks out of date. You can check your own tank to see if it is in date before bringing it up. On the collar of the tank there will be a date, if it has a date and not letter it is good for 12 years from the date on the tank. If it has a date and the letter E behind it, the tank is good for 5 years from the date. If the date has the letter S after it the tank is good for 10 years from the date on the tank. Examples : 10/20 good till October of 2032 10/20 E good till October 2025, and 10/20 S good till October 2030. A Ranger will check and let you know what the date on your tank is at the time of filling. Currently we do not have any tanks to replace damaged or out of date tanks. We will be working on getting a list together where tanks can be purchased locally.”
