Weekly Report

RANCH MANAGER

Hi Everyone!

Week 19
May 9th 2024

Wow! We are 2 weeks away from Memorial Day Weekend! Where has the time gone? All the Ranch employees are working hard to get everything up and going for the holiday. Melody Lane Cabin #46 wheelchair accessible ramp has been completed this week and will be listed on Resnexus but can only be rented through the Gate House. We have purchased Housekeeping, a 2017 Explorer ex-police vehicle. It is an All-wheel drive which will help them get around after the spring thaw and during the winter snow. The old sales cabin is being moved today. It is going to the concrete pad at the top of the service drive. Its future use is to be determined. The family pool is being drained and pressure washed today. The Wranglers have worked on the cattleguard this week and it is a lot quieter. The Club House slab area has been seeded for grass and covered in straw. Please do not pull vehicles into this area!

Thanks,
Mike

**IMPORTANT
ANNOUNCEMENT**

“We are happy to announce that we now offer propane dispensing 24/7 again, we had a great class for our employees to get recertified and had some new certifications to help meet the needs of our members. Unfortunately, we were also informed by the State of Missouri inspector who was at the class that we must start inspecting the tanks we fill better, we were found to be not in compliance with this. We were informed that if an employee fills an out-of-date tank, they can be fined \$5000 personally as well as other fines for the Ranch. We have ordered stickers that we are required to put on each tank our employees fill. Employees will be checking for damaged tanks as well as tanks out of date. You can check your own tank to see if it is in date before bringing it up. On the collar of the tank there will be a date, if it has a date and not letter it is good for 12 years from the date on the tank. If it has a date and the letter E behind it, the tank is good for 5 years from the date. If the date has the letter S after it the tank is good for 10 years from the date on the tank. Examples : 10/20 good till October of 2032 10/20 E good till October 2025, and 10/20 S good till October 2030. A Ranger will check and let you know what the date on your tank is at the time of filling. Currently we do not have any tanks to replace damaged or out of date tanks. We will be working on getting a list together where tanks can be purchased locally.”
