Hi Everyone!

What a great 4th of July Weekend here at your Ranch! It was very hot on the 4th, but we had great temperatures Friday and Saturday. We had 2 great firework shows and a great Members fireworks showing. We had two great bands with the Duck Race, Kid's Catfish Derby, Flea Market, Marble Run, Family Bingo, Fill the Boot, 4th of July Parade and Watermelon Social. I want to thank all my friends that helped me at the Watermelon Social and everyone that had a hand in all of these great events! And I mostly want to thank all of the employees that prepped the Ranch weeks ahead of the 4th and kept the Ranch running smoothly as possible during the very busy Holiday!

My last weeks Managers Report was all about these events and I was not able to talk about the Barbie Jeep Races. And WOW!! What a turnout with racers and spectators to cheer them on to the finish line! This event was great and I look forward to having the X-treme Barbie Jeep Races again!

Per Board Motion, The Ranch has purchased 5 additional High Cube Conex Units. If you want to be on the list to purchase a Conex please email me at gm@cloud9ranch.com, please include your name, membership number and a current phone number.

Thanks Mike

IMPORTANT ANNOUNCEMENT

“We are happy to announce that we now offer propane dispensing 24/7 again, we had a great class for our employees to get recertified and had some new certifications to help meet the needs of our members. Unfortunately, we were also informed by the State of Missouri inspector who was at the class that we must start inspecting the tanks we fill better, we were found to be not in compliance with this. We were informed that if an employee fills an out-of-date tank, they can be fined \$5000 personally as well as other fines for the Ranch. We have ordered stickers that we are required to put on each tank our employees fill. Employees will be checking for damaged tanks as well as tanks out of date. You can check your own tank to see if it is in date before bringing it up. On the collar of the tank there will be a date, if it has a date and not letter it is good for 12 years from the date on the tank. If it has a date and the letter E behind it, the tank is good for 5 years from the date. If the date has the letter S after it the tank is good for 10 years from the date on the tank. Examples : 10/20 good till October of 2032 10/20 E good till October 2025, and 10/20 S good till October 2030. A Ranger will check and let you know what the date on your tank is at the time of filling. Currently we do not have any tanks to replace damaged or out of date tanks. We will be working on getting a list together where tanks can be purchased locally.”
