# MANAGERS Weekly Report

MIKE EDMONDS  
RANCH MANAGER

Hi Everyone!

Week 33  
August 15th, 2024

This week on Tuesday, Howell Oregon had to shut off the Power to the front of Lonesome Pines so we could dig and repair a 2" water main line that connects the 2 Lonesome Pine wells together. Found was a failed schedule 40 Joint connector. Connector and a couple feet of pipe were replaced and the power was turned back on by 11:15AM. A message was sent out on the Ranch's Texting Service. If you did not receive a text message and would like to, please go onto our website <https://cloud9ranch.com/> and click on SIGN UP FOR TEXT ALERTS to receive text notifications.

Well, it is not Dry and Dusty now here at the Ranch! Tuesday night through 10:30 am Wednesday we received 5.75" inches of rain. Pictures in this report show what happens when we receive this much rain in a short period of time. Maintenance will be very busy the next few days and into next week making repairs to the campground roads, gravel road approaches to pavement and ditch lines. Please use caution when the equipment is out working in these areas, and also out on the trails where 5.75" of rain has done damage.

Thanks
