The weather has been Beautiful this week, 30's in the mornings and upper 60's to low 70's in the afternoon. What a great season here at your Ranch! Lots of work going on: we had a professional tree trimmer/cutter here this Tuesday and Wednesday, cutting down several dead trees that were in locations around buildings, cabin, and electric boxes. Our employees have been busy hauling off the debris and cutting firewood.

In the Annual Board meeting, I announced some great news; we will be repaving from the Gas Station to Hill Country with 20-foot aprons the whole distance and at every road or trail that meets it. This pavement project should start Monday, October 21st, weather permitting, and be completed before our Halloween Weekend. Please use caution and be patient while they are working.

I have found 5 more High Cube Conex units at a comparable price as the last 5 we had purchased. We hope to have these painted, delivered, and set up mid-November. If you want to be on the Conex list, please email me at gm@cloud9ranch.com. And please include your name, phone number, and member number in the email.

Thanks
