Another great week here at your Ranch! MO-Ark Asphalt started work this Monday: preparing the road and trail aprons on the Hill Country Road portion. Tuesday these aprons were paved. Wednesday, new pavement was run in the south lanes from the Hill Country campground to the "Y" intersection at Spring Road.

Today MO-Ark Asphalt is running the north side lane and will be done with this portion of the pavement today. Tomorrow (Friday), they will be working on the upper 500 foot of Fogey Hollow Road: doing some repairs and running new asphalt. Saturday they will be working on the aprons on Spring Road from the "Y" intersection to the Gas Station. As with Wednesday and Thursday we will have 1 open lane for traffic. Please use caution in these work areas and be patient with the workers. They are working hard to improve your roads.

I have found 5 more High Cube Conex units at a comparable price as the last 5 we had purchased. We hope to have these painted, delivered, and set up mid-November. If you want to be on the Conex list, please email me at gm@cloud9ranch.com. And please include your name, phone number, and member number in the email.

Thanks
