OUTDOOR & MARINE

Another Great Halloween Weekend at the Ranch! We had a few campers in the overflow areas and around 15 pads still open: most of those pads were good pads in Wilder and Fogey Campgrounds. The weather was great, and the rain held off until Sunday, then it continued to rain with only few breaks till Tuesday afternoon. In total we received over 12 inches of rain.

The overflow parking in Fogey was totally under water. No campers, trailers, or vehicles were damaged thanks to the pullers and volunteers that moved them to higher ground!

In Wilder Campground the parking barrier pipe fence survived but the last of the railing on the Fishing Ramp is gone. As soon as the water receded, Maintenance cleared debris from the tubes at Fogey Bridge. The first Section of Concrete on the bridge was undercut by 4 feet. We hope to have it open to 4-wheeler and SXS traffic **ONLY** this weekend with the south side coned and flagged off.

I have found 5 more High Cube Conex units at a comparable price as the last 5 we had purchased. We hope to have these painted, delivered, and set up mid-November. If you want to be on the Conex list, please email me at gm@cloud9ranch.com. And please include your name, phone number, and member number in the email.

Thanks
