**Hi Everyone!**

It's been a busy week here at your Ranch! The new 2 stall Bathroom has been set on the concrete pad at the Old Sales Office area by the Gatehouse. We hope to have them hooked up to power, water, and septic before New Year's. With weather and other projects allowing the time, Tech Tree has been working this week on connecting the Chapel to the Fiber System, cleaning/upgrading boxes and connections for the Wilder, Fogey, and Maintenance Building expansions.

Tech Tree will be back at the Ranch December 2nd-6th: 9th-13th: and the 16th-20th. Expect internet outages throughout these periods in the Campgrounds. Our maintenance employees have been busy digging and laying conduit to speed this project along.

MO-Ark Asphalt was here Tuesday and Wednesday to finish the Asphalt Aprons from Lonesome Pines to Compound 4. We now have Aprons at Compounds 2, 4, 5, the road to Compound 6, buildings including the Resource Department, the Maintenance Department, Sheriff Hollow Road, and both Lonesome Pines entrances.

I have found 5 more High Cube Conex units at a comparable price as the last 5 we had purchased. We hope to have these painted, delivered, and set up mid-November. If you want to be on the Conex list, please email me at gm@cloud9ranch.com. And please include your name, phone number, and member number in the email.

Thanks
