Wishing Everyone a Merry Christmas and a Happy New Year! With Christmas and New Years falling on a Wednesday, this will be the last 9 Lines of 2024. I hope everyone is able to spend the Holidays with family and Loved ones!

This week the Fiber Expansion Project with TechTree has progressed very well and the Fiber is in all of the proposed areas, and they are making terminations and Installing Boxes at all Junctions. There is still a lot of work to complete, but the Ranch employee portion is complete. TechTree will be back down after the New Year to finish the project.

This week the New Board of Directors approved Phone System was installed on Monday. We are finding a few issues, but they are being worked out.

The 5 new Conex units have been delivered and set up. I will be making call on the Conex list soon! If you would like to be on the Conex List, please email me at gm@cloud9ranch.com. And please include your name, phone number, and member number in the email.

Thanks
