**Hi Everyone!**

We are busy here at your Ranch! We have posted on the Ranch pages about the Restaurant being closed for 2 weeks for repairs. While doing the floor repairs, we have found many things that we needed to fix. The Restaurant Kitchen has been added onto 3 or 4 times in the past and we have had issues with each of the additions: we decided to address those issues while we had the floors out. So, the Kitchen is being remodeled from the floor to the walls, and ceiling. With this added work we are hoping to have the Restaurant back open February 10th.

The 50-foot poles for the outdoor Early Warning Siren System came in this week. The end of January, first of February, Federal Signal Company will have a crew install the poles and then install the sirens mid to late February.

Ranch work never stops! Last Picture is the Resource Department weed eating in the snow. LOL. The weather forecasters are calling for single digit temperatures this Sunday, Monday, and Tuesday mornings. This last weekend we were in the upper teens and low 20's and Maintenance has replaced over 125 Campground faucet bibbs. The Work Never stops!

Thanks
