Hi Everyone!

Much warmer temperatures here at your Ranch this week. We have been in the upper 40's to lower 60's. The forecast for the next week is for even warmer temperatures! This week Maintenance has dug and installed conduit for a new wi-fi tower in Lonesome Pines. TechTree will be running and splicing the fiber to this location next week.

TechTree has completed work at the South end of Powder Mill cutoff. Hill Country and Powder Mill now has their wi-fi back on. The remodel of the Restaurant Kitchen is proceeding very well, and we are still looking at reopening the Restaurant the week of February 10th. The new dish washer for the Restaurant was delivered today, and we are looking forward to having the Kitchen ready to install it.

The 5 new Conex units have been delivered and set up. If you would like to be on the Conex List, please email me at gm@cloud9ranch.com. And please include your name, phone number, and member number in the email.

Thanks
Michael Edmonds
