Hi Everyone!

Busy week here at your Ranch! Maintenance has completed a new metal roof at the Fitness Center. A small leak was found before the last snow, and they started the replacement as soon as the snow was off the roof. The new emergency siren system has been hooked up to power and Federal Signal will be back soon to program and complete the project. The emergency siren system should be active around mid-March.

Maintenance is working in the Gatehouse area on the grade work for the mini-Gatehouse. The new mini-Gatehouse will give the Ranch 2 lanes of incoming traffic during the holidays and special event weekends. We have also installed lighting in the woodshed.

We currently have 4-High Cube, 40-foot Conex's for sale that are move in ready! If you would like to be on the Conex List, please email me at gm@cloud9ranch.com. And please include your name, phone number, and member number in the email.

Thanks
