Hi Everyone!

The next Board of Directors meeting will be Saturday, March 15th. With the rescheduling of the January meeting to February we have back to back monthly meetings for the months of February and March.

Maintenance is replacing the old shingle roof at Lonesome Pines Mini Stage Stop with a new metal roof this week. Crushed limestone rock has been laid and compacted for the new mini Gate House and weather permitting we will be digging to frame up for an concrete pad poured next week for the building.

Dunrite Concrete has poured 9 concrete culvert extensions to protect the culverts from damage and washouts. Most of these are on the asphalt aprons paved last fall. Tech Tree is making good progress on the fiber project and should be done in the next couple of weeks and Blue Guys IT have been making the final connections.

We currently have 2-High Cube, 40-foot Conex's for sale that are move in ready! If you would like to be on the Conex List, please email me at gm@cloud9ranch.com. And please include your name, phone number, and member number in the email.

Thanks
