Hi Everyone!

A wet and stormy week here at your Ranch. We have been able to get a lot of work done. Last Friday, Trail Construction installed gutters on the Lonesome Pines mini-Stage Stop. The wiring upgrade in Powder Mill campground pads 111 to 118 has been completed and is back open for camping. The new mini-Gatehouse metal siding and roof is completed, and electrical wiring is in progress.

Last Friday the Hill Country mini-Stage Stop was closed due to a water line leak under the concrete pad, the water line to the mini-Stage Stop was found and disconnected. This week we have cut the concrete and started running new water lines and hope to have it back open by Monday, April 4th. The mowing crew was able to finish mowing Fogey Hollow, Lonesome Pines, the Laundry Mat, and Cabin Row before the rain started on Wednesday the 2nd. The new Emergency Siren System was used this last Sunday afternoon as well as yesterday (Wednesday the 2nd) and is working very well.

If you would like to be on the Conex List, please email me at gm@cloud9ranch.com. And please include your name, phone number, and member number in the email.

Thanks
Michael Edmonds

Gatehouse Report

A few reminders...

- Remember to be prepared to sign the ATV waivers when buying your annual sticker. Other members cannot buy your sticker for you, and you cannot buy stickers over the phone!
- Guest/non-members do not get annual ATV stickers (we can ask for proof of ownership).
- We have begun hiring for the season, so please be patient with us as we are training the new faces you see. It will be a great help if you have your Id's and member numbers ready.
- If you are needing to cancel a reservation, you cannot do so through email. You **MUST** call the Gatehouse to cancel!

IN-SEASON IS HERE!

Welcome back campers!

For more information, see the rulebook, page 6

In-Season rules and what it means

April 1st-October 31st

- **30/60-day pads:** on 30 day pads you must move your camper out of the campground you are in every 30 days. You can move back to that campground after a period of 4 days, but you cannot occupy the pad you were previously on.
- For 60-day pads you move every 60 days instead (60-day campsites are marked with an orange electric box).
- **Taking leave?:** during in-season if you wish to take leave (leave means leaving your camper on a pad unoccupied) you may do so for a max of 5 days (ie. leave on Sunday you must be back before midnight Friday) (this applies to 30-day sites ONLY).
- During this time unplug is not in effect, so you can leave your camper plugged in when taking leave.
- If you are going to be gone for longer than the allotted 5 days, you must put your camper away in compound or take it with you.
- If you go over your 30 free days, it is \$10 +tax to have your camper out.
