**Hi Everyone!**

APRIL 11TH, 2025

As you have heard the Ranch has damage from the April 4<sup>th</sup> and 5<sup>th</sup> flood. As the creek water levels are dropping and I am seeing a lot more damage to the Fogey Bridge than expected. Hopefully next week the water levels will be down closer to normal, and we can do a better assessment of the bridge. As far as the Ranch is concerned the creek crossings are CLOSED, but we have seen SXS on the other side. We caution all members and guest that the creek crossings are not safe! The Frank Shores crossing will be opened for Easter Weekend.

Lower Fogey Campground will be opened to traffic April 11<sup>th</sup> for everyone to view the bridge but closed for camping. We hope to have Wilder #2 back open for camping Easter weekend (April 18<sup>th</sup>). The damages to the campground are electrical, water, and septic. Please stay off the handicap fishing ramp as it has been totally undercut and has no support on the walkway. The good news, concerning the Hill Country mini-Stage Stop, is that before the flood, we were able to cut the pad and replumb the leaking water lines feeding the Stage Stop and it is back open.

If you would like to be on the Conex List, please email me at gm@cloud9ranch.com. And please include your name, phone number, and member number in the email.

Thanks  
Michael Edmonds

# IN-SEASON IS HERE!

Welcome back campers!

For more information, see the rulebook, page 6

## In-Season rules and what it means

April 1st-October 31st

- 30/60-day pads: on 30 day pads you must move your camper out of the campground you are in every 30 days. You can move back to that campground after a period of 4 days, but you cannot occupy the pad you were previously on.
- For 60-day pads you move every 60 days instead (60-day campsites are marked with an orange electric box).
- Taking leave?: during in-season if you wish to take leave (leave means leaving your camper on a pad unoccupied) you may do so for a max of 5 days (ie. leave on Sunday you must be back before midnight Friday) (this applies to 30-day sites ONLY).
- During this time unplug is not in effect, so you can leave your camper plugged in when taking leave.
- If you are going to be gone for longer than the allotted 5 days, you must put your camper away in compound or take it with you.
- If you go over your 30 free days, it is \$10 +tax to have your camper out.

If you have any  
questions, please call
