Hello May

Hi Everyone!

MAY 1ST, 2025

More Rain! April showers bring May flowers. But only if there is dirt left for them to grow! We have had some kind of flooding event each week of the month. The April 4th and 5th flood had also damaged compounds (compound 2 and 3). The last 2 ½- 3 inches of rain on the 27th has filled and plugged culverts that have never had issues before and has done a lot of damage in compound 3.

The first of this week we have been working on cleaning out culverts and ditches. Wednesday, we re-ditched the road above compound 3 to stop a lot of the water running into the compound. Lee Krout, BOD President, has been calling members for permission to move their campers to do repair work in compound 3. If your camper needs to be moved, you WILL be called. Voicemails were left for unanswered calls.

We have lots of work to do before the quickly approaching Memorial Day Weekend. Please be patient with the employees as they have tons of work to do!

The Store and Restaurant front parking area will be closed Monday, May 5th for dead tree removal.

If you would like to be on the Conex List, please email me at gm@cloud9ranch.com. And please include your name, phone number, and member number in the email.

Thanks

The month of April was very difficult for the Bakersfield area. It has come to the Ranch's attention that baseball and softball fields were destroyed by the storms.

Several Ranch employees or local members have kids who are struggling to find a place to practice. Cloud 9 Ranch has offered to open our small ball field for the teams to use for practice. The field is not the best, but it will at least allow them to get some practice in.

We will not be allowing overflow parking on the edge of the field by the cabins until the season is over for the kids. Currently there are two 11 and under baseball teams and one 12 and under softball team that want to use the field.

Thank you to Head Ranger Joey Hedrick for bringing this to our attention, we are happy to be able to help the kids.

Trout Stocking Dates:
