**MAY 8TH, 2025**

It's still raining, and the creek is high! Please be careful at the crossings. They are calling for a beautiful weekend with only chances of rain next week, fingers crossed! We have a lot of work to do before Memorial Day Weekend. This week we had 6 trees removed from the upper area and one trimmed back. The last few years have been very hard on our trees. The new walk-in cooler will be here and installed Tuesday, May 13<sup>th</sup> and Maintenance has done a lot of work preparing for its arrival.

We have run a new power line to the Family Pool this week and will be doing our best to have it open for the holiday weekend. Lastly a reminder, if you have trash that doesn't fit in the campground dumpsters, please take it to the maintenance area roll-off dumpsters. If it's metal or aluminum, we do have a scrap pile for it!

If you would like to be on the Conex List, please email me at [gm@cloud9ranch.com](mailto:gm@cloud9ranch.com). And please include your name, phone number, and member number in the email.

Thanks

The month of April was very difficult for the Bakersfield area. It has come to the Ranch's attention that baseball and softball fields were destroyed by the storms.

Several Ranch employees or local members have kids who are struggling to find a place to practice. Cloud 9 Ranch has offered to open our small ball field for the teams to use for practice. The field is not the best, but it will at least allow them to get some practice in.

We will not be allowing overflow parking on the edge of the field by the cabins until the season is over for the kids. Currently there are two 11 and under baseball teams and one 12 and under softball team that want to use the field.

Thank you to Head Ranger Joey Hedrick for bringing this to our attention, we are happy to be able to help the kids.
