**Hi Everyone!**

### Board of Directors and Ranch Members

When I took the position of Ranch Manager on March 2, 2020, I told the Board of Directors that on June 11, 2025, my 62nd Birthday, I would be turning in my resignation for retirement effective on December 31, 2025. In the past 5 plus years we have made Great improvements, but there is so much more that I want to accomplish. My first 2 weeks here were spent in the office trying to figure out who to contact to gain access to our phone system and then straight to closing the Ranch because of Covid. When we reopened the Ranch to the Membership we had 3 years straight of record usage, along with record repairs and upkeep. Over the last year as my June 11th, 2025 date has approached, I have realized that I really do not want to retire from working at the Ranch, but no longer want to be employed in the Ranch Manager position. Possibly as a Project Manager, Operation Manager or as Assistant Ranch Manager, any of which would greatly benefit the Ranch as well as shorten my list of repairs and improvements that I hope to accomplish.

The Position of Ranch Manager is far too much for one person to Conduct, Manage and Supervise. The first 4 ½ years I worked 6 days a week and around 65 to 70 hours a week trying to stay on top of all the Ranch issues and it has taken a toll on me. The benefits of me staying employed at the Ranch are many. My - 53 years of Ranch knowledge are and would continue be a great asset. If the new Ranch Manager was on vacation, out of town, on days off, or incapacitated, I would still be employed to step back in as or when needed. As many of you know, my dad Gordon Edmonds was Ranch Manager from 1974 through 1988 with an assistant Manager. After his resignation the Ranch has been run as a one-person Manager system. I look forward to working with the new Ranch Manager and hope to be a part of the continued progress and success of Cloud 9 Ranch.

This is my notice of Resignation from the Ranch Manager Position effective 12-31-2025.

Thanks Mike.
