*Weekly Report*  
**Hi Everyone!**

The 4<sup>th</sup> of July is next week! Members have been rolling in very steadily this week. We are geared up for another Great 4<sup>th</sup> of July Weekend. We have had very little rain this last week so there will be some dust. But on the positive side, the creek crossings are the best they have been since the April 4<sup>th</sup> and 5<sup>th</sup> flood.

The Frank Shores crossing in Wilder has been cleaned out and appears to be in good shape. In Fogey Campground, we have covered the clay that was hauled in and packed in by Simpson Construction with creek gravel that was washed upon land from flooding. A handrail has been built on the concrete at the tubes to make this area safe for use. Please do **NOT** climb on the railing. The portable restroom has been reset and hooked up and are now in use at the wading and swimming area below Fogey Tubes.

If you would like to be on the Conex List, please email me at gm@cloud9ranch.com. And please include your name, phone number, and member number in the email.

Thanks
