80's Weekend is here! And with an unexpected break from the HOT weather, Thursday-Monday the temperatures are expected to be in the mid 80's. How fitting! I hope everyone has cleared their calendars to come down and support the Volunteer Fire Department and First Responders. This is their main fund raiser weekend of the year. And the Board of Directors meeting. The VFD will have the Band Plush on the Stage Friday at 8pm and the band Machine Gun Symphony on the Stage Saturday at 8pm. I hope you can make it to the Ranch!

The internet was down this past Sunday morning around 4:30am through Monday 3:15pm. This was not a Ranch issue and was a Lumen/Brightspeed issue, where once again a mouse had dug into Lumens pedestal at the highway and chewed through the fiber lines. This week, Maintenance installed a new metal roof on the Shady Lane Rental. It looks Great! Shady Lane has been black tagged for more repairs the first of November and will receive some bathroom/shower upgrades along with new skirting and front deck. Please remember that there is no fishing at the Fogey Tubes and you **MUST** be 25 yards up or downstream to fish!

If you would like to be on the Conex List, please email me at gm@cloud9ranch.com. And please include your name, phone number, and member number in the email.

Thanks
