What a Great 80's Weekend here at your Ranch! Great turnout of members, great bands, great fireworks, and great weather! I always look forward to this weekend and the Members support for the Fire Department and First Responders. In Saturday's Board Meeting, the Ballot was set for Board of Director elections, bylaws, and rules. Also approved were 3 new Rental Cabins: 2 are the standard 12x24 cabins, like the last cabin set on Hill Country 50 with some changes inside and one 12x34 cabin with a separate bedroom with the same changes as the other 2 cabins. I am looking forward to seeing how the changes and separate bedroom work in our rentals.

This week we have done several road edge breakage repairs around the Ranch. Last Wednesday (July 30th) we had a crazy windstorm with 2 ½ -3 ½ inches of rain. This week our Resource and Maintenance departments have been busy removing blown over trees and tree debris. In Wilder 1 we are preparing to replace the roof on the Stage Stop, run a new water line, and start repairing the damage from the 2017 flood. The Wilder Stage Stop will be open next spring. We are also working on the old ditch line for proper drainage and building some primitive camping spots in the shade.

If you would like to be on the Conex List, please email me at gm@cloud9ranch.com. And please include your name, phone number, and member number in the email.

Thanks
